Michigan Boys Volleyball Conference is the home of high school boys volleyball in Michigan. The conference has grown from 4 schools in the spring of 2018 to over 90 in the spring of 2025. Boys Volleyball is the next boys sport to be sanctioned by the Michigan High School Athletic Association starting in the 2025-2026 school year.

We have grown this sport in lockstep with MHSAA regulations to put us in the position we are now.
