

Northwest High School Athletic Boosters

Corporate Sponsorship

Our corporate partners play a critical role in fundraising for student activities. What's the benefit for businesses that help the Boosters? We provide visibility to a school with over 900 students at NWHS and over 700 students at Pleasant Run Middle School. That would multiply considering family, alumni, relatives, and friends. We have well-attended events throughout the year across the spectrum of activities. Beyond the marketing value, building a relationship with the school community is ultimately an investment in the future community members and the health of our schools.
