

Lauren Hansen of St. Paul Academy

Jackson Baird of Providence Academy

Lauren has had a spectacular season. She is a dynamic play making striker who has scored 13 goals and has had 12 assists this season. Lauren has been a key catalyst for our 12-2-3 record as much of our attack begins with Lauren's creativity and movement. Lauren is the 2nd time all leading goal scorer in our SPA program (52 career goals).

Congratulations to Providence Academy senior football player, Jackson Baird. The senior captain has led the Lions to a 5-1 record and is known as the Providence Academy equivalent to a Swiss Army Knife because he can do it all! Baird is the Lions leading passer and rusher while accounting for 17 touchdowns on the offensive side of the ball and has amassed 29 tackles, a sack, a fumble recovery, and three interceptions from his safety position. Baird is also the team's punter and punt returner.
