

NOVEMBER IMAC ATHLETES OF THE MONTH

Madison Potter of Blake

Declan Dahlberg of Mounds Park Academy

Saylor Hawkins of Breck

Madison Potter from Blake

Mounds Park Academy junior, Declan Dahlberg capped off a spectacular fall in Cross Country running where he won the IMAC, Region 4A and State championships. Declan won the State Championship by .2 seconds over Matt Steiger of La Crescent which was the closest finish in Cross Country State history. After a blistering opening mile and a tough second mile, Declan didn't have a lot left. He stuck with the leaders and emerged from the woods in 2nd place, just behind the leader. Coming up the final hill, he pulled even with the leader and sprinted to the finish line where both boys leaned and fell with Declan coming in first place.

Breck sophomore, Saylor Hawkins completed a very exciting dive season. She took 1st or 2nd in all of the meets and invitationals this year. Saylor took 2nd at the Minnetonka Invite in which Breck was the only Class A team competing. She then went on to take 1st place at the Section and State Meets. Saylor also won the MVP award for the Girls Swim and Dive team and won All State honors.
