Eric Lagos, SPA

Eric had an incredible month of play in September, scoring many key goals for us and even playing parts of some matches as a defender. Eric is an excellent team player and spends large parts of each game getting up and down the field to help the team defend on corner kicks and set pieces while also serving a key role in our attack.

During the month of September, Eric led our team in scoring with 12 goals in 9 games including 4 game winners and 4 games with 2 or more goals. As a junior Captain he is proving himself to be an very accomplished high school player. At the end of August Eric was named to the Regional ODP Team for his age group, a tremendous honor.
