

*Bailey Donovan from SPA*

With 3 first place finishes and one 2nd place, Bailey has dominated the conference races with large time and points margins. She kept her dominating style this week at sectional where she had the fastest run in both courses and won by 1.29 seconds. She also won the 44th annual Welch Village Invitational with a field of 135 girls and won by 1.38 seconds on one of the toughest, iciest courses of the season. She has been a great leader sharing her racing experiences and knowledge with her teammates and coaches. She led the girls team on clinching the IMAC title and qualifying the girls team for an appearance at State. This will be the first time in 15 years that SPA Alpine team has gone to the State Meet.

*Gabe Lessard from Minnehaha Academy*

Gabe Lessard, a Senior at Minnehaha Academy, won the IMAC Alpine Individual Championship and has qualified for the State Meet! Gabe exemplifies what it means to strive for the best, stay positive and pushes his own accomplishments to the side to be the best captain he can be. We are thankful for his leadership and great example.
