

*Olivia Mobley of Breck*

Congratulations to Breck girls hockey player, Olivia Mobley '20, who was named the February IMAC Athlete of the Month. Olivia was a leader on and off the ice. Olivia was named captain this year and with that, she was a great vocal leader, but she also leads by the example she sets for the rest of the team. She is an incredibly hard working player during both practices and games and sets the tone for the entire team. Olivia has a very positive approach with her teammates and her coaches. Through positive motivation, she is equally encouraging and demanding. Olivia always puts the team first and she cherishes the team's accomplishments far more than her own. Olivia was an intricate part of the girls hockey state championship this winter as she tallied nine goals and seven assists in seven games. Olivia was also named to the All-Tournament team and received All-State and All Conference honors.

Peter Moore saved his best for last as a senior for SPA Nordic. At the Section 3 championship on Feb. 5, Moore raced in a class by himself, finishing more than two minutes ahead of the second-place skier en route to winning the title. Just over a week later at the state meet Feb. 14, Moore faced a different challenge. Instead of leading the entire way, Moore found himself 18 seconds behind the defending champion entering the afternoon 5k classic pursuit race. After quickly making up the deficit, Moore paced the lead pack of four skiers as the race came down to a sprint finish, with the SPA senior decisively pulling away with about 50 meters to go. Winning by a margin of one second!
