Olivia Mobley

Olivia's hockey during February was nothing less than phenomenal. During the month, she continued her outstanding season, recording 14 goals and 9 assists in 6 games – representing nearly 4 points per game. Along with a section championship, these efforts propelled her team to an unprecedented 3rd straight Class A state championship. In addition, Olivia received numerous individual awards, including being named the Metro Player of the Year for girls hockey. Additionally, Olivia was also named Ms. Hockey.

During Olivia's hockey career, she amassed a total of 283 points. Based on Olivia's performance, she set four individual Breck girls hockey school hockey records.

At section finals, Andrew broke the section records he set last year in both the 200 IM and 100 breaststroke. At Class A state, he broke his 100 Breaststroke record at both prelims and finals, and JUST missed his 200IM record both days. He was able to defend both of his titles in the 200IM and 100 Breast, taking first place in each. Again this season, both his 200 IM and 100 breaststroke times at state were automatic All-American times. All four years of high school, Andrew has maintained his 4.0 GPA while also performing in the band and orchestra as the oboist. He also played trombone in the pep and jazz bands all four years at Minnehaha. This year, he is a National Merit Finalist, an AP Scholar with Distinction, and an MSHSL Triple A finalist, excelling in academics, athletics, and the arts. Andrew is headed to Swarthmore College next year where he will swim, study pre-med, and perform music.
