

MaKenna Vavrichek has had a stellar senior soccer season for the Blake Bears. MaKenna is a standout on the softball field as well. She shut out every IMAC opponent this year and has not given up a goal in the last six games as she helped lead the Bears to the IMAC championship. On the year she has .965 save % and .40 GAA.

Head coach Kelsey Hans states, "Kenna has been outstanding in net for us this year. She is aggressive, confident, and reads the game well. She has made some huge saves this past month that have kept us in close games. She is a great leader and is respected by her teammates and coaches."

Senior, Walsh Kern, helped Breck to their third IMAC Conference title by scoring 11 Goals in the month of September. This also included a four goal game against Southwest Christian. Walsh is not only the team's leading goal scorer, he is also a captain and leads by example on and off the field. The team's success is more important to him than personal accolades.

## NOMINEES FOR SEPTEMBER 2020

<u>ATHLETE</u>	<u>SCHOOL</u>	<u>SPORT</u>	<u>YE AR</u>
