

Breck Junior, Emily Johnson leads the Girls Lacrosse team with 28 goals and 28 forced turnovers, consistently setting the highest standards of competitive play in every game. Emily was a key factor in Breck's 12-9 victory over Cretin on May 8th, a game in which Emily had 5 goals. Emily's performance in games results from the work ethic and energy she brings to each practice session as she is constantly seeking opportunities to improve as a player and support the efforts of those around her.

Minnehaha Academy Senior Will Gruidl overcame unseasonably high temperatures to win the Section 4AA Golf Tournament. Will was consistent and solid both days finishing 72 and 73 for a total of 145. Will is on to State, and will play The Ridges at Sand Creek on June 15-16.
