

Ava has been the top girls skier at Blake throughout her upper school career. She was the MSHSL Individual Alpine Champion in 2021 as a Junior and will be in contention to win again this year as a Senior in 2022. All of Ava's downhill times this season averaged out to be the top scores in all of the events when it comes to the average top 3. Ava's been a captain for 3 years now and earned All-Conference honors the past 2 seasons. She was awarded the most valuable and fastest skier last year and is on track to accomplish those same team awards this year.

To say that Minnehaha Academy Senior Forward and Boston College commit Prince Aligbe has put his team on his back is an understatement. Prince leads the team in every statistical category, and spent January averaging a double/double at 27 Points Per Game and 12 Rebounds Per Game. Recently, Prince has been named a Top 10 Finalist for Minnesota's Mr. Basketball Award. Prince is not only a great player, but a great leader on and off the court - he's a very deserving winner of IMAC Male Athlete of the Month.
