Immunization Requirements

Use this chart as a guide to determine which vaccines are required to enroll your student in school (public, private or homeschool). Check marks show the number of required doses.

This schedule shows the ages when doses are due.

Exemptions

To enroll in school in North Dakota, children must show they've had these immunizations or file and exemption with the school.

Parents may file a medical exemption signed by a health care provider or a non-medical exemption signed by a parent/guardian. A blanket exemption form can be found on our website.
