

UNDERSTANDING THE TAX IMPACT

SURREY PUBLIC SCHOOLS
SCHOOL REFERENDUM
 VOTE JUNE 9, 2026

Surrey Public Schools is committed to providing clear information so residents can understand how the proposed facility improvements may affect their property taxes.

The estimated tax impact for the proposed project is based on the **True and Full Value** of your property as shown on your property tax statement.

Estimated Annual Tax Impact

If approved by voters, the estimated annual tax impact would be approximately:

- **\$162 per year** for a home with a **True and Full Value of \$100,000**
- **\$180 per year** for **\$100,000 of agricultural or commercial property**

This equals approximately:

- **\$14 per month** for a \$100,000 residential property
- **\$15 per month** for \$100,000 of agricultural or commercial property

Your actual tax impact will vary depending on the **True and Full Value of your property.**

How to Find Your Property's True and Full Value

Your **True and Full Value** can be found on your annual **county property tax statement.**

Look for the section labeled **“True and Full Value”** on your statement.
