TROLLHAUGEN

HELLO HUMAN! The 25/26 Student Pass Program gives students the opportunity to have fun, enjoy winter, & learn to safely ski and snowboard. Students are invited to join us on the slopes once a week throughout the season with their school. Read the full details below, and register by scanning the QR Code at the bottom of this flyer.

PROGRAM SCHEDULE: This program begins the week of Dec. 1, 2025, valid 3:00pm - Close (conditions permitting) to the end of the season. Students can ski and/or snowboard during the specified time your school chooses to designate on your pass. You may hit the slopes during winter break & on holidays after 3PM, during the time your pass is valid. Special discounts are also available if you're a passholder.
