

STEPHENSON AREA PUBLIC SCHOOLS
SCHOOL YEAR _____

DUAL SPORT AGREEMENT

This agreement is between _____ and the Stephenson Athletic
(name of student)
Department. The above named athlete would like to enter into a dual sport participation program. The above
named athlete agrees to follow the guidelines set forth in this agreement.

This athlete will participate in _____ and _____
(1st sport) (2nd sport)

The primary sport will be _____.

The secondary sport will be _____.

The athlete is expected to participate in all scheduled meets with priority given to the primary sport.

(An example would be if an athlete is signed up as dual sports for Track and Golf with Track as the primary sport, and a track and golf meet are scheduled for the same day, the athlete must go to the Track meet unless prior arrangements have been made between coaches, athlete and parents).

Practices are to be attended where possible. It is expected that the athlete will practice both sports. It is understood that the athlete may need to practice at a time other than the regular scheduled time. These arrangements must be made with the individual sport coaches and should be documented with the coaches with copies given to parents of the athlete and the Athletic Director.

This agreement will cover the _____ (Fall, Winter, Spring) sports season only and is effective when signed by all parties involved in the agreement.
