I - GENERAL RULES AND REGULATIONS

- (1) The Montana High School Association will promote, provide for and control all interschool BASEBALL activities among the member schools.
- (2) The playing rules as authorized and published by the National Federation of State High School Associations for the current year shall be followed for all games. By National Federation Rule, Montana has adopted the following:

- a. Any regular season game will end when, after two and a half or three innings, when a team is fifteen (15) or more runs behind and has completed its turn at bat.
- b. Any game will end when, after four and a half or five innings, a team is ten or more runs behind and has completed its turn at bat.
- c. Games suspended before 4 1/2 or 5 innings because of weather – resume from the point of interruption.
- d. Games suspended before 4 1/2 or 5 innings that are tied – resume from the point of interruption.
- e. Games suspended before 4 1/2 or 5 innings because of darkness – resume from the point of interruption.
- f. **Junior varsity games played prior to varsity games, the following time limit shall apply: No new inning shall begin more than 1 hour and 45 minutes after the conclusion of the pre-game plate meeting.**
- g. Using a maximum time limit of 1 1/2 hours can end games played at invitational tournaments. The game can be called if there is five minutes or less before the maximum time limit or officials should not start a new inning after one hour and twenty minutes of play.
- h. Postseason play-in games suspended before 4 1/2 or 5 innings because of weather, darkness or a game that is tied – resume from the point of interruption if the game can be continued at a later time, unless the opposing coaches wish to terminate the game and determine a winner. If the game is suspended and the game cannot be played at a later time, the higher seeded team (#2 seed) is declared the winner. In case of a tie, the higher seeded team is declared the winner.

- (3) Pitcher limitation from JV to Varsity: the starting pitcher in a varsity game cannot pitch in a JV contest unless there is an injury or for other out of the ordinary circumstances, which must be approved by the Executive Director.
- (4) Pitch Counts for MHSB Baseball: Refer to the chart on the baseball section of the MHSB website at mhsa.org.
- (5) The Montana High School Association Executive Board shall establish the starting date for practice and the first allowable date when any contests may be played. No individual shall play in any Association BASEBALL contest until he has a minimum of eight (8) days of BASEBALL practice of at least one practice session per day on eight (8) different days (no practice permitted on Sunday), prior to the date of the first allowable game.

The initial eight (8) practices for each individual must be completed as a comprehensive, regularly scheduled team practice with the full coaching staff.

When determining what constitutes a MHSB practice that satisfies the language above in (5), the following criteria must be applied:

1. Practice must be at least one (1) hour long.
2. At least one full squad (varsity team/J.V. team/C squad) and their coaching staff must be present.
3. The athlete must participate in the entire practice.
4. Practice should include the majority of drills and conditioning that are the norm for that team or squad.
5. A practice the day of a game does not count (unless an athlete is practicing with another squad that does not have a game that day, i.e. a varsity team member who stays home and practices with the JV team that does not have a game that day).
6. Warm-ups or walk-throughs with the team prior to a game does not constitute a practice.

If a student begins their initial eight (8) days of required practices and that period of days is interrupted by sickness, injury, academic ineligibility or any other reason for a period of two weeks, then the student shall be required to practice an additional four (4) days and in cases of sickness or injury to produce a doctor's release.

Athletes participating on teams competing in MHSB post season play, which overlaps the beginning of the next MHSB sanctioned activity starting practice date, may be credited for practices during the overlap period toward meeting the minimum practice requirement of the overlapped activity season.

If a student transfers to a new school after completing the required days of preseason practices for their sport or activity, the student must complete an additional number of practices (equal to half the # of required practices for that sport or activity) at their new school.

- (6) Twenty-two (22) games with no more than three (3) games on one date will be the maximum for schools excluding Association sponsored tournaments.

INTERPRETATIONS

1. Any BASEBALL team that receives a forfeit may be allowed to schedule and play a make-up game but the team that gives the forfeit must count the forfeited game as one of the season's game limits for its school and that team will not be allowed to schedule another game in place of the forfeited game(s).
 2. Definition of "squad" — An athletic squad is determined by union of "act and intent" by grouping together a number of students to play as a unit to represent the school, under the direction of a designated coach or coaches. A school must have at least fourteen (14) players participating to be able to schedule sub varsity games or play a sub varsity schedule. At least five (5) players must be designated as varsity only and cannot play in the sub varsity contest whether on the same or different day of the varsity contest.
 3. Club team participation – During the MHSB baseball season, no more than four (4) rostered participants in a school's program can compete in an outside baseball event on the same team.
- (7) **Baden Perfection Pro 3B-PPRO Baseballs** shall be utilized at all MHSB sponsored BASEBALL tournaments and/or baseball play-in games.
 - (8) Walk-up music may be played in the regular season by the home team only if approved by the school's administration. Each team can choose their own approved music. Administrators should review the music to determine its appropriateness. Walk-up music should stop the moment the batter steps into the batter's box. Officials may order the music turned down or off if the music is inappropriate or is interfering with the orderly administration of the game.
 - (9) No school is required to take part in any contests or athletic events, but once entered, teams are obligated to participate in a contest or athletic event to its normal conclusion unless the contest is terminated by mutual consent of the school

officials involved due to unusual weather or game conditions, or situations which could be hazardous to participants or spectators. Any coach is prohibited from unilaterally refusing to play.

If a school fails to complete contests or athletic events that they have entered, the violating school would be subject to penalties as deemed appropriate and necessary by the Executive Director.

No school is required to take part in any game or tournament, but when once entered under the plan outlined, schools shall carry out their part of the program in fairness to all other schools represented. Any team taking part in season play is automatically entered in to the first tournament held in that district or in that division. That team shall not be allowed to withdraw from playing in such tournament without the specific approval of the Executive Director. The penalty for violation shall be as outlined under Penalties, Article VIII, Section (2).

- (10) American Legion teams and MHS A High School teams are not allowed to play each other.
- (11) The BASEBALL season officially closes with the end of the state tournament for the classification of the school concerned.
- (12) The MHS A prohibits any use and/or possession of tobacco, alcohol or other mood-altering drugs during competition. Violation will cause the coach or participant to be disqualified from further participation in that event.

II - STATE CHAMPIONSHIP PARTICIPATION AND PLAYOFF

- (1) Schools in each classification will be charged with the responsibility of drawing the conference schedules each season and for determining the number of conference games the schools must play to be eligible for tournament seeding. Tournament seeding will be determined by each classification.
- (2) The site(s) and manager(s) for the state tournament(s) will be determined by the MHS A Executive Board.
- (3) No all-state teams or players shall be picked or announced at the state tournament site by either the Executive Board or tournament officials. This applies to playoffs, divisional and state competition.
- (4) The game balls for the State Tournament shall be provided by the Montana High School Association.
- (5) First round games at state tournaments will have the team with the higher seed being designated as home team. A coin flip determines home team in all future rounds.
- (6) The state BASEBALL tournament shall be double elimination format. Game times shall be established by the tournament manager.
- (7) State tournament games suspended because of weather and/or darkness will be resumed from the point of interruption.
- (8) State tournament games suspended because of weather and/or darkness after 4 1/2 - 5 innings of play will be resumed from the point of interruption and 7 innings completed unless the 10-run rule is reached.

III - ELIGIBILITY OF PLAYERS

Teams and players recognized as eligible to participate in interscholastic BASEBALL in Montana under the rules of the Montana High School Association will be eligible to participate in the tournaments arranged. All schools are cautioned to carefully check over their list of potential players and make certain that each student whose name is submitted is fully qualified under the rules.

Signage should be placed only in the appropriate areas; i.e. on the tents or in the hospitality room/area.

Established facility sponsorships are not affected provided that MHSAs corporate sponsorship requirements are met.

- (1) After each divisional or state tournament the tournament manager shall submit a financial report of the tournament to the Executive Director of the Montana High School Association within fifteen (15) days following the conclusion of the event.
- (2) The Executive Board wished to point out that the local community definitely profits from the tournaments in three ways: (a) All concessions of the tournaments are normally given to local organizations. (b) Local communities profit considerably through income at hotels, motels, restaurants and stores. (c) The local school is under no expense to send its team to the tournament.
- (3) The host school does not underwrite the expense of the tournament but is obligated to do its best to see to it that the gross receipts are such that allowable expenses are paid in full.
