The MOA mileage rate is based on the current published IRS mileage allowance. It is established for the entire fiscal year commencing on July 1 and continuing through June 30 of the following year. For 2025-2026 the travel allowance for the driver official is **\$ .70 per mile**, plus a per diem of **\$ .16 per mile** for a total of **\$ .86 per mile**. The rider official receives a per diem of **\$ .16 cents per mile**. Travel allowances are computed using round trip mileage.

The per diem allowance for *invitational/regular season tournaments* is **\$ .16 per mile** or \$20 per day, whichever is greater, if the official does not stay overnight, and \$30 per day if the official does stay overnight.

**When an official is assigned a contest in a pool city site but lives outside that city, they shall get paid mileage from their home zip code to the pool city zip code.**
