Associate dues will be **\$40.00** for all high school aged members.

The annual dues are **\$80.00** for one sport and **\$32.00** for each additional sport. The dues include payment for rules manuals, study materials, online resources and premiums for liability and supplemental medical insurance.

1. Prospective officials must submit dues to the MOA office prior to the exam date for their sport(s). If dues are paid early, the prospective member will receive MOA rules manuals and other study material prior to the test. - C. The fees and expense allowances paid to each official must conform to the current established schedules as published in the MHSA Handbook.
- D. The MHSA recognizes that officials are independent contractors; therefore, methods of paying established fees/expenses will be determined by agreement between the school which has contracted for the official services and

the local officials' pool, or an individual official. Officials' pools cannot receive payments from the schools to distribute to individual members as this practice would make the officials' pool the employer, nullifying the independent contract status and subjecting the pool to unemployment and workers' compensation requirements. Any changes in the payment process must be approved by the Regional Director. Note: If there is a change in the payment process one option to another that change must be approved by the Regional Director. However, the MHSA requires that one of the three following methods be utilized:

1. All assigned officials may be paid within seven (7) business days of the contest with a check issued by the member school.
- or**
2. All assigned officials may be paid with **Arbiter** assignment software. A member school has (7) seven business days from the date of the contest to issue payment via **Arbiter**.
3. All assigned officials may be paid before the contest with a check issued **or with Arbiter** by the member school. MOA officials are not allowed to accept checks written to other member officials. A member school has seven (7) business days from the date of the contest to reissue appropriate checks to the official(s) who worked the contest, if there has been an assigned official change.

Exception for soccer pools only: because the fee structure for soccer officials differs from all other MHSA sanctioned sports, an alternative payment method for soccer officials may be approved by the MOA Commissioner, provided that the local soccer pool, the local school(s), and the Regional Director are in agreement. The alternative payment method must be submitted in writing for approval by the MOA Commissioner on an annual basis prior to implementation.

- E. If an official was not notified but was present to work a contest that was canceled or postponed for reasons related to an act of God including, but not limited to, power failure, adverse weather, or hazardous road conditions, the officials must be paid at least half of the game fee plus all travel and per diem allowances. Contest(s) cancelled due to weather or act of God will be rescheduled using the same officials (if possible) and those officials will receive only travel and per diem allowances for the canceled contest(s).

If different officials are used, officials will be paid all travel/per diem allowance and game fee. Regarding cancellations/postponements after the contest begins, officials that work one quarter (or its equivalent, i.e. two full innings in softball) or more will receive a full game fee and if the officials work less than one quarter, they will receive one half a game fee (lightning cancellations, power outages etc.).

- F. If an official was not notified by a school that a contest date was changed or canceled, but the official was present to work the contest as originally scheduled, the official must be paid a full game fee plus all travel and per diem allowances. This also applies when a team does not show up for the contest.

- G. A varsity fee shall be paid to all officials working any contest involving a varsity and sub-varsity team.

I. All travel allowances are computed using round trip mileage. The regular season expense allowances include:

- The travel allowance for each driver official: **\$.70** per mile.
- The per diem allowance for each official including the driver: \$.16 per mile.
- The driver official receives the total (**\$.86 per mile**) of the travel allowance plus the per diem allowance. The travel and per diem allowance is partially based on the travel distances between cities as prescribed for State of Montana employees using personal vehicles for business purposes. This travel allowance is established for the entire fiscal year commencing on July 1 and continuing through June 30 of the following year. Distances to determine mileage allowances will be those listed on the official Montana Department of Transportation map. The mileage allowance is based

upon the shortest paved distance from the contest site to either the (1) official's home, or (2) pool site. When an official is assigned to a contest in a pool city site, but lives outside the city, they shall get paid mileage from their home zip code to the pool city zip code.

- The per diem allowance for invitational/regular season tournaments is **\$.16** per mile or \$20 per day, whichever is greater, if the official does not stay overnight, and \$30 per day if the official does stay overnight.
- Officials working in their home city/pool site receive no travel allowance but will receive a \$10.00 per diem allowance per day if they work more than two contests during that day at the same facility **for a regular season contest.**
- When separate officiating crews are requested or used for different contests which occur on the same date, schools must pay the driver official for each crew the required travel allowance when it isn't feasible for officials to travel together. This applies even when the officials are from the same city or pool site.
- Soccer Exception: There is a fee adjustment when only 2 officials are available. The total fee paid for the contest for the 2 officials will be the same as if 3 officials were used and this is only approved for sub-varsity competition.

1. All postseason officials will be paid a one-way mileage at **\$.70** travel allowance from their home sites to the postseason tournament or playoff site. **Exception: All postseason driver officials will be paid a one-way travel allowance from their home sites to the postseason tournament or playoff site except for the official who is a bona fide member of a pool outside his/her local pool. He/she will be paid a rider's allowance from the home site to the postseason tournament or playoff site.**

Whenever an official traveling to a playoff or tournament through a community where another official working the same playoff or tournament resides, the officials shall carpool and only the driver official will receive the one travel allowance. Both officials will receive the per diem allowance.**

2. Each tournament official receives a \$35.00 per diem allowance for each overnight stay at the tournament site away from home for each day the tournament is in session. Each official who travels more than 200 miles one way will also be paid one additional day per diem and provided a room if they stay away from home for an extra night. Any official who officiates a Saturday night contest but chooses not to stay overnight, or an official who rides with an official in this situation shall receive the \$35.00 per diem for that day. The MOA office has the discretion to apply the appropriate basketball tournament per diem schedule for postseason football contests.
3. If inclement weather forces an extra overnight stay for those officials who are less than 200 miles from their home, the tournament manager must pay an extra day's per diem and lodging to such officials.

4. Officials living less than 200 miles one-way from the tournament site and who are required to report to a tournament site one day early for meetings or weigh-ins, or who must leave their home before 7:00 a.m. on the day of the tournament shall receive an extra day per diem if they commute to the site. If they are staying at the site and must leave their home before 7:00 a.m. to attend those meetings or weigh-ins, the official will be provided a room the night preceding the opening day of the tournament.
5. The tournament manager is responsible for arranging lodging for tournament officials. Lodging accommodations shall be paid from tournament receipts by the tournament manager. Officials choosing not to utilize lodging accommodations provided by the tournament manager are not entitled to any other lodging reimbursement. When feasible, officials shall be provided with a single room. Lodging expenses may be provided from the receipts of a post season football playoff game when determined necessary by the MOA office.
6. Officials who commute daily from their home city to the tournament city or who alternate during the duration of the tournament contested on consecutive days between a daily commute and an overnight stay will receive **one-way mileage per day at the current prescribed mileage rate**. Officials making more than one commute per day will only be compensated for a single commute.
7. A tournament official receives **\$25.00** per day for each day that the officials commute to the tournament while the tournament is in session.
8. Tournament officials working in their home city/pool site receive no travel allowance but will receive a \$10.00 per diem allowance for each day the tournament is in session.
9. Playoff Expenses – Baseball, Basketball, Softball, Soccer, and Volleyball. Mileage - **\$.70**. Per Diem - \$.16 per mile or \$25.00 per day, whichever is greater, if the official does not stay overnight. If the official stays overnight, \$35.00 per diem. In baseball and softball, host city officials will receive \$10.00 per diem (two out of three game playoffs). In soccer the postseason officials will receive a per diem of \$10.00 per game or \$0.16 per mile (whichever is greater) regardless of if the official is out of in or out of town. Schools are responsible for room reservations and room costs.
