Subvarsity Invitational (double elimination boys <u>&</u> girls' division)	<u>\$172.00</u>

The MOA mileage rate is based on the current published IRS mileage allowance. It is established for the entire fiscal year commencing on July 1 and continuing through June 30 of the following year. For 2025-2026 the travel allowance for the driver official is **72.5 cents per mile**, plus a per diem of **0.16 cents per mile** for a total of **88.5 cents per mile**. The rider official receives a per diem of **0.16 cents per mile**. Travel allowances are computed using round trip mileage.

The per diem allowance for *invitational/regular season tournaments* is **0.16 cents per mile** or \$20.00 per day, whichever is greater, if the official does not stay overnight, and \$30 per day if the official does stay overnight.

When an official is assigned a contest in a pool city site but lives outside that city, they shall get paid mileage from their home zip code to the pool city zip code.

Officials working in their home city/pool site receive no travel allowance but will receive a \$10.00 per diem allowance per day if they work more than two contests during that day at the same facility for a regular season contest.

Soccer Exception: There is a fee adjustment when only 2 officials are available. The total fee paid for the contest for the 2 officials will be the same as if 3 officials were used and this is only approved for sub-varsity competition.

A varsity fee shall be paid to all officials working on any contest involving a varsity and sub-varsity team.

Flag Football – All regular and postseason assignments will be assigned by the Montana Flag Football Association.
