ABOUT US

At 406 Officials Academy, we focus on teaching three-person NFHS officiating mechanics and floor positioning, and combine them with officiating guidelines and philosophy to ensure all attendees leave equipped to work three-person games. Our focus on proper high school mechanics and guidelines will help prepare you for the next level of high school games in a low-pressure atmosphere. This camp is designed to pack a lot of opportunities to work, learn and focus in a short period of time. The 406 Officials Academy is a Montana Officials Association Certified Camp that meets the MOA post-season requirement.

OUR STAFF

We have put together a talented staff that includes State Tournament officials, NCAA and NAIA officials, and Montana Officials Association Certified staff. Each attendee will receive personalized feedback, instruction, and guidance to assist them in improving their officiating abilities. Our staff are hands on and will focus on ensuring the camp experience is positive for all those who attend. This camp is scheduled and designed to ensure that even the busiest campers have an opportunity to attend at a lower cost, while not sacrificing quality instruction and feedback.
