Teams will be reseeded in the 1st and 2nd round according to the criteria established by the Class AA conference. After the 1st round, the 3rd and 4th seeds from the East and West will be determined and they will be placed in the bracket against the teams who received a bye in the 1st round. The teams will not be reseeded after the quarterfinal round. Teams will advance through the bracket as listed. The higher seed will host, and if like seeds play, the bracket will determine the host. Pairings will be available on the football postseason page at www.mhsa.org
