

Walk-up music may be played in the regular season, dual or championship final round of an invitational tournament, by the home team only if approved by the school's administration. If the host school chooses to play walk-up music for the championship final round, walk-up music must be played for each wrestler participating in that round. Administrators should review the music to determine its appropriateness. Walk-up music should stop the moment the wrestler steps on the mat after checking in with the head table. Officials may order the music turned down or off if the music is inappropriate or is interfering with the orderly administration of the event.
