# Notes for the Lunchroom

Hello,

We have enjoyed lots of vegetables for our Farm to School Program. Zucchini, apples, onions, potatoes, tomatoes, cucumbers and more I am sure I just can't remember. We welcome any and all fresh vegetables you would like to share with us. We are also enjoying Larson Family Beef in our main dishes. We would like to have 2 possibly 3 beef this year. Please feel free to call me or stop by the school to chat about the possibilities.

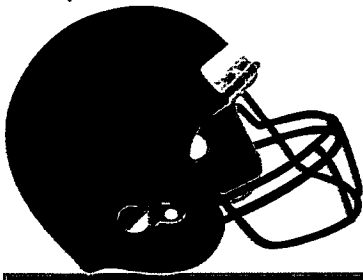

This year we have enjoyed cake (given by Dr. and Mrs. Shipley) and ice cream in August to celebrate the birthday's in July and August. The birthday cake and ice cream for September's birthdays was donated by Mrs. Waddell. A donation of 10 cake mixes and 2 gallons of ice cream is what we need for each month's birthday celebration or a \$50. Donation to the Dessert fund. So far we have cake and ice cream donations through December! Thank You!!!

Our breakfast program is off to a good start! We are averaging 12 kids each morning. I hope more children will join us for breakfast.

Thank you for participating in our school lunch programs and invite you to eat with your child anytime. You have very special children and we enjoy being a small part of their day.

If you have any questions about any part of our lunch programs please feel free to contact Virginia Utter.

Remember October is National School Lunch Week!
