redemption; provided, the Registrar and Paying Agent, at its option, may make transfers after any of said dates. References in this Section to a Certificate or the Certificates shall be construed to mean the Certificate or the Certificates that are held under the Book-Entry System. One Certificate for each maturity shall be issued to DTC and immobilized in its custody. Unless otherwise provided herein, a Book-Entry System shall be employed, evidencing ownership of the Certificates in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Transfers of ownership interests in the Certificates shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE CERTIFICATES, THE REGISTRAR AND PAYING AGENT SHALL TREAT CEDE & CO., AS THE ONLY HOLDER OF THE CERTIFICATES FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE CERTIFICATES, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE REGISTRAR AND PAYING AGENT TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS CERTIFICATE RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Certificates, so long as DTC is the only owner of the Certificates, shall be paid by the Registrar and Paying Agent directly to DTC or its nominee, Cede & Co., as provided in the Letter of Representation. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. Neither the School District nor the Registrar and Paying Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising, or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Certificates or (2) the School District determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Certificates would adversely affect their interests or the interests of the Beneficial Owners of the Certificates, the School District may discontinue the Book-Entry System with DTC. If the School District fails to identify another qualified securities depository to replace DTC, the School District shall cause the Registrar and Paying Agent to authenticate and deliver replacement Certificates in the form of fully registered Certificates to each Beneficial Owner.

NEITHER THE SCHOOL DISTRICT NOR THE REGISTRAR AND PAYING AGENT SHALL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DTC PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE CERTIFICATES; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE CERTIFICATES; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS CERTIFICATE RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS, (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE CERTIFICATES; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS OWNER.

SO LONG AS A BOOK-ENTRY SYSTEM OF EVIDENCE OF TRANSFER OF OWNERSHIP OF ALL THE CERTIFICATES IS MAINTAINED IN ACCORDANCE HEREWITH, THE PROVISIONS OF THIS RESOLUTION RELATING TO THE DELIVERY OF PHYSICAL BOND CERTIFICATES SHALL BE DEEMED INAPPLICABLE OR BE OTHERWISE SO CONSTRUED AS TO GIVE FULL EFFECT TO SUCH BOOK-ENTRY SYSTEM. IF THE PROVISIONS OF THE LETTER OF REPRESENTATION SHALL BE IN CONFLICT WITH THE PROVISIONS OF THIS RESOLUTION AS SAID PROVISIONS RELATE TO DTC, THE PROVISIONS OF THE LETTER OF REPRESENTATION SHALL CONTROL.

Section 4.6. Mutilated, Lost, Stolen, or Destroyed Certificates.

(a) In the event any Certificate is mutilated, lost, stolen, or destroyed, the School District may execute, and upon the request of an Authorized Officer of the School District the Registrar and Paying Agent shall authenticate and deliver, a new Certificate of like maturity, interest rate, and principal amount, and bearing the same number (but with appropriate designation indicating that such new Certificate is a replacement Certificate) as the mutilated, destroyed, lost, or stolen Certificate, in exchange for the mutilated Certificate or in substitution for the Certificate so destroyed, lost, or stolen. In every case of exchange or substitution, the Certificateholder shall furnish to the School District and the Registrar and Paying Agent: (1) such security or indemnity as may be required by them to save each of them harmless from all risks, however remote; and, (2) evidence to their satisfaction of the mutilation, destruction, loss, or theft of the subject Certificate and the ownership thereof. Upon the issuance of any Certificate upon such exchange or substitution, the School District and the Registrar and Paying Agent may require the Owner thereof to pay a sum sufficient to defray any tax or other governmental charge that may be imposed

in relation thereto and any other expenses, including printing costs and counsel fees, of the School District and the Registrar and Paying Agent. In the event any Certificate which has matured or is about to mature shall become mutilated or be destroyed, lost, or stolen, the School District may, instead of issuing a Certificate in exchange or substitution therefor, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Certificate) if the Owner thereof shall pay all costs and expenses, including attorney's fees, incurred by the School District and the Registrar and Paying Agent in connection herewith, as well as a sum sufficient to defray any tax or other governmental charge that may be imposed in relation thereto and shall furnish to the School District and the Registrar and Paying Agent such security or indemnity as they may require to save them harmless and evidence to the satisfaction of the School District and the Registrar and Paying Agent the mutilation, destruction, loss, or theft of such Certificate and of the ownership thereof.

(b) Every Certificate issued pursuant to the provisions of this section shall constitute an additional contractual obligation of the School District (whether or not the destroyed, lost, or stolen Certificate shall be found at any time to be enforceable) and shall be entitled to all the benefits of this Certificate Resolution equally and proportionately with any and all other Certificates duly issued under this Certificate Resolution.

(c) All Certificates shall be held and owned upon the express condition that the provisions of this Section are exclusive, with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Certificates, and, to the maximum extent legally permissible, shall preclude all other rights or remedies, notwithstanding any law or statute now existing or hereafter enacted to the contrary.

Section 4.7. Authentication.

The Registrar and Paying Agent is hereby authorized to authenticate and deliver the Certificates to the Underwriter or as it may designate upon receipt by the School District of the proceeds of the sale thereof, to authenticate and deliver Certificates in exchange for Certificates of the same principal amount delivered for transfer upon receipt of the Certificate(s) to be transferred in proper form with proper documentation as hereinabove described. The Certificates shall not be valid for any purpose unless authenticated by the Registrar and Paying Agent by the manual signature of an officer thereof on the certificate set forth herein on the Certificate form.

Section 4.8. Qualification for DTC.

Section 5.1. Optional Redemption

The Certificates shall be redeemable as set forth in the Purchase Agreement.

Section 5.2. Notice of Redemption.

(a) Notice of call for redemption, whether optional or mandatory, shall be given by the Registrar and Paying Agent on behalf of the District not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Certificates to be redeemed, at the addresses shown on the bond registration records of the Registrar and Paying Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Certificates for which proper notice was given. As long as DTC, or a successor depository, is the registered owner of the Certificates, all redemption notices shall be

mailed by the Registrar and Paying Agent to DTC, or such successor Depository, as the registered owner of the Certificates, as and when above provided, and neither the District nor the Registrar and Paying Agent shall be responsible for sending notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor depository, to provide notice to any DTC Participant or Beneficial Owner will not affect the validity of such redemption. The Registrar and Paying Agent shall post such notices, in the case of mandatory redemption of term Certificates, as and when provided herein and in the Certificates, and, in the case of optional redemption, as and when directed by the District pursuant to written instructions from an Authorized Representative of the District given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be satisfactory to the Registrar and Paying Agent).

(b) Each notice required by this Section shall state: (1) the Certificates to be redeemed identified by CUSIP number and called amounts of each bond (for partial calls), date of issue, interest rate, and maturity date; (2) the date fixed for redemption; (3) that such Certificates will be redeemed at the principal corporate trust office of the Registrar and Paying Agent; (4) the redemption price to be paid; and, (5) that from and after the redemption date interest thereon shall cease to accrue. Section 5.3. Payment of Redeemed Certificates.

(a) If notice of redemption shall have been given in the manner and under the conditions provided in Section 5.2 hereof and if on the date so designated for redemption the Registrar and Paying Agent shall hold sufficient monies to pay the redemption price of, and interest to the redemption date on, the Certificates to be redeemed as provided in this Bond Resolution, then: (1) the Certificates so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Certificates on such date; (2) interest on the Certificates so called for redemption shall cease to accrue; and, (3) such Certificates shall no longer be Outstanding or secured by, or be entitled to, the benefits of this Resolution, except to receive payment of the redemption price thereof and interest thereon from monies then held by the Registrar and Paying Agent.

(b) If on the redemption date, monies for the redemption of all Certificates or portions thereof to be redeemed, together with interest thereon to the redemption date, shall not be held by the Registrar and Paying Agent so as to be available therefor on such date, the Certificates or portions thereof so called for redemption shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption and shall continue to be secured by and be entitled to the benefits of this Resolution.

ARTICLE VI

Any corporation or association into which the Registrar and Paying Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole, or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation, or transfer to which it is a party shall be and become successor Registrar and Paying Agent hereunder and shall be vested with all the trusts, powers, discretion, immunities, privileges, and other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed, or conveyance on the part of any of the parties hereto, anything herein contained to the contrary notwithstanding. Upon any such conversion, merger, consolidation, sale or transfer, the Business Manager shall have the right and option, upon notice to such converted, merged, consolidated or acquiring entity, to remove such entity and appoint a successor thereto pursuant to the procedures and requirements set forth in Section 6.3 hereof.

If the School District shall pay and discharge the indebtedness evidenced by any of the Certificates in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Federal Obligations deposited as aforesaid.

ARTICLE VIII

ADDITIONAL CERTIFICATES

This Resolution permits the issuance of additional capital outlay certificates payable from the Capital Outlay Fund of the District, provided that the School Board first determines that a Capital Outlay Fund tax levy of not more than \$3 per \$1,000 of taxable valuation, or for taxes payable in 2025 and thereafter, not more than the lesser of \$3 per \$1,000 of taxable valuation or the Maximum Enrolled Student Amount as defined hereafter, (collectively the "Levy Limit") will afford debt service coverage for all outstanding capital outlay certificates, plus the additional capital outlay certificates proposed to be issued, of at least 1.25 times. The "Maximum Enrolled Student Amount" is \$3,400 for 2025, and for 2025 and subsequent years, the maximum amount for each enrolled student shall increase by the lesser of three percent or the index factor, as defined in SDCL 10-13-38. The property

tax levy for any such additional certificates, together with the levy for then all outstanding capital outlay certificates described herein and any other Capital Outlay Fund purposes, would be limited to the Levy Limit. Such additional certificates would have a parity claim with all the then outstanding capital outlay certificates, including the Certificates, against property tax revenues received into the Capital Outlay Fund of the District. In addition, if a State Aid Pledge Agreement is executed and delivered in connection with the issuance of such additional Certificates, such Certificates shall also have a parity claim on the State Aid to Education.

ARTICLE IX

SALE OF CERTIFICATES AND DEPOSIT OF PROCEEDS

Section 9.1. Sale of Certificates.

The Certificates shall be sold to the Underwriter at a price to be set forth in the Purchase Agreement. The President and the Business Manager, or either of them, in consultation with the Underwriter, are authorized to make such changes in the structuring of the terms and sale of the Certificates as they shall deem necessary to maximize the savings from the refunding of the Refunded Certificates. In this regard, they, or either of them, in consultation with the Underwriter, are authorized to cause to be sold an aggregate principal amount of the Certificates less than that authorized herein, cause fewer than all the Refunded Certificates to be refunded, to sell any or all of the Certificates as term Certificates with annual mandatory redemption requirements which will produce substantially the same annual principal reductions as authorized herein, to change the dated date of the Certificates, and to adjust principal and interest payment dates and redemption dates of the Certificates. The form of the Certificate set forth in Exhibit A attached hereto shall be conformed to reflect any changes, if any, as hereinbefore mentioned. The President and the Business Manager, or either of them, are hereby authorized to execute and the Business Manager is authorized to attest the Purchase Agreement with the Underwriter providing for the purchase and sale of the Certificates. The Purchase Agreement shall be in form and content acceptable to the President and Business Manager, the execution thereof by either of them to constitute conclusive evidence thereof, and approved as to form and legality by the District's attorney; provided the Purchase Agreement effects the sale of the Certificates in accordance with the provisions of this Resolution, and is not inconsistent with the terms hereof. The President and the Business Manager are authorized to cause the Certificates to be authenticated and delivered by the Registrar and Paying Agent to the Underwriter and to execute, publish, and deliver all certificates and documents, including the Official Statement, and closing certificates and documents, as they shall deem necessary in connection with the sale and delivery of the Certificates.

Section 9.2. Official Statement.

The President, Business Manager, and the Underwriter are hereby authorized and directed to provide for the preparation and distribution of a Preliminary Official Statement describing the Certificates (the "Preliminary Official Statement"). After the Certificates have been sold, the President and Business Manager shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this Resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission.

To comply with paragraph (b) (3) of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934 (the "Rule") and with Rule G-32 and all other applicable rules of the Municipal Securities Rulemaking Board, the School District agrees to deliver to the Underwriter, the Official Statement (which shall be a final official statement, as such term is defined in the Rule, as of its date) in an electronic format as prescribed by the MSRB.

Section 9.3. Disposition of Certificate Proceeds.

The proceeds of the sale of the Certificates shall be disbursed as follows:

(a) An amount, together with other legally available funds of the School District, if any, and investment earnings thereon, if any, which will be sufficient to pay principal of and interest on the Refunded Certificates to their earliest optional redemption dates shall be paid to the paying agent of the Refunded Certificates;

(b) The remaining proceeds of the sale of the Certificates shall be used to pay the costs of issuance and sale of the Certificates including necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, administrative and clerical costs, rating agency fees, Registrar and Paying Agent fees, and other necessary miscellaneous expenses incurred in connection with the issuance and sale of the Certificates. Any funds remaining after payment of said expenses shall be used to pay interest on the Certificates on the first interest payment date following delivery of the Certificates.

Section 9.4. Tax Matters.

(a) The School District covenants and agrees with the registered owners from time to time of the Certificates that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Certificates to become includable in gross income for federal income tax purposes under the Code and applicable Treasury Regulations (the "Regulations"), and covenants to take any and all actions within its powers to ensure that the basic interest on the Certificates will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

(b) The President and the Business Manager, being the officers of the District charged with the responsibility for issuing the Certificates pursuant to this Resolution are hereby authorized and directed to execute and deliver to the Underwriter thereof a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Certificates, it is reasonably expected that the proceeds of the Certificates will be used in a manner that would not cause the Certificates to be "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations.

(c) The District further certifies and covenants as follows with respect to the requirements of Section 148 of the Code that the District reasonably expects, as of the Closing Date, that the aggregate face amount of all tax exempt bonds (other than private activity bonds) issued by it and all subordinate entities during the calendar year of 2025 will not exceed \$15,000,000.

(d) The District shall file with the Secretary of the Treasury a statement concerning the Certificates containing the information required by Section 149(e) of the Code.

(e) Pursuant to Section 265(b)(3)(B)(ii) of the Code, the District hereby designates the Certificates as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. The District hereby represents that it does not anticipate that obligations bearing interest not includable in gross income for purposes of federal income taxation under Section 103 of the Code (including refunding obligations as provided in Section 265 (b) (3) of the Code and including "qualified 501(c)(3) bonds" but excluding other "private activity bonds," as defined in Sections 141(a) and 145(a) of the Code) will be issued by or on behalf of the District and all "subordinate entities" of the District in 2025 in an amount greater than \$10,000,000.

ARTICLE X

Such notice shall be in substantially the form as provided in Exhibit B attached hereto and by this reference made a part hereof.

If any one or more of the provisions of this Certificate Resolution, or of any exhibit or attachment thereto, shall be held invalid, illegal, or unenforceable in any respect, by final decree of any court of lawful jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, or of any exhibit or attachment thereto, but this Certificate Resolution, and the exhibits and attachments thereto, shall be construed the same as if such invalid, illegal, or unenforceable provision had never been contained herein, or therein, as the case may be.

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by the Bison School District 52-1 (the "Issuer") of \$2,000,000 Limited Tax General Obligation Capital Outlay Refunding Certificates, Series 2025, dated June ____, 2025, (the "Certificates"). In such capacity, we have examined such law and such certified proceedings, certifications, and other documents as we have deemed necessary to give the opinions below.

Regarding questions of fact material to the opinions below, we have relied on the certified proceedings and other certifications of representatives of the Issuer and certifications of others furnished to us without undertaking to verify them by independent investigation.

Based upon the foregoing, we are of the opinion that:

1. The Certificates have been duly authorized and executed by the Issuer and are valid and binding limited general obligations of the Issuer.

2. All taxable property in the territory of the Issuer is subject to ad valorem taxation not in excess of three dollars per thousand annually to pay the Certificates. The Issuer is required by law to include in its annual tax levy the principal and interest coming due on the Certificates.

3. The Certificates are additionally secured by the School District's pledge of all of its right, title, and interest in and to State Aid to Education under Title 13 of the South Dakota Codified Laws and the School District has entered into a State Aid Pledge Agreement (the "State Aid Pledge Agreement") with the South Dakota Health and Educational Facilities Authority, U.S. Bank Trust Company, National Association, and the South Dakota Department of Education in furtherance of such pledge.

4. The District has irrevocably authorized pursuant to a State Aid Pledge Agreement and directed the South Dakota Health and Educational Facilities Authority (the "Authority") to intercept from time to time, as necessary, State of South Dakota appropriated funds to which the District is entitled, and to transfer to the paying agent, from such intercepted funds, the amount necessary to pay principal of and interest then due on the Certificates.

5. Interest on the Certificates is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Certificates may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. The opinion set forth in the preceding sentence is subject to the condition that the Issuer comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Certificates in order that the interest thereon be, and continue to be, excludable from gross income for federal income tax purposes under Section 103 of the Code. The Issuer has covenanted to comply with all such requirements. Failure to comply with certain of such requirements may cause interest on the Certificates to be includable in gross income for federal income tax purposes retroactively to the date of issuance of the Certificates.

6. Under existing law, the interest on the Certificates is includable in "taxable income" for the State of South Dakota income tax purposes when the recipient is a "financial institution" as defined by Chapter 10-43, South Dakota Codified Laws, according to present state laws, regulations, and decisions. We express no further opinions regarding other South Dakota tax consequences arising with regard to the Certificates.

7. The Certificates are qualified tax-exempt obligations within the meaning of Section 265(b)(3) of the Code.

ATTACHMENT TO RESOLUTION 2025-9

**Post-Issuance Compliance Policy for Tax-Exempt and
Tax-Advantaged Obligations and Continuing Disclosure**

Definitions

“Compliance Officer” means the Business Manager of the Issuer.

“Issuer” means the Bison School District 52-1.

Statement of Purpose

This Post-Issuance Compliance Policy (the “Policy”) sets forth specific policies of the Issuer designed to monitor post-issuance compliance:

- (i) with applicable provisions of the Internal Revenue Code of 1986, as amended (the “Code”), and regulations promulgated thereunder (“Treasury Regulations”) for obligations issued by the Issuer on tax-exempt or tax-advantaged basis (“Obligations”); and
- (ii) with applicable requirements set forth in certificates and agreement(s) (“Continuing Disclosure Agreements”) providing for ongoing disclosure in connection with the offering of obligations to investors (“Offerings”), for obligations (whether or not tax- exempt I tax-advantaged) subject to the continuing disclosure requirements of Rule 15c2-12(b)(5) (the “Rule”) promulgated by the Securities and Exchange Commission (“SEC”) under the Securities Exchange Act of 1934.

This Policy documents practices and describes various procedures and systems designed to identify on a timely basis facts relevant to demonstrating compliance with the requirements that must be satisfied subsequent to the issuance of Obligations in order that the interest on such Obligations continue to be eligible to be excluded from gross income for federal income tax purposes or that the Obligations continue to receive tax-advantaged treatment. The federal tax law requirements applicable to each particular issue of Obligations will be detailed in the arbitrage or tax certificate prepared by bond counsel and signed by officials of the Issuer and the post-closing compliance checklist provided by bond counsel with respect to that issue. This Policy establishes a permanent, ongoing structure of practices and procedures that will facilitate compliance with the requirements for individual borrowings.

This Policy similarly documents practices and describes various procedures and systems designed to ensure compliance with Continuing Disclosure Agreements, by preparing and disseminated related reports and information and reporting “material events” for the benefit of the holders of the Issuer's obligations and to assist the Participating Underwriters (within the meaning of the Rule) in complying with the Rule.

The Issuer recognizes that compliance with pertinent law is an on-going process, necessary during the entire term of the obligations, and is an integral component of the Issuer's debt

management. Accordingly, the analysis of those facts and implementation of the Policy will require on-going monitoring and consultation with bond counsel and the Issuer's accountants and advisors.

General Policies and Procedures

The following policies relate to procedures and systems for monitoring post-issuance compliance generally.

- A. The Compliance Officer shall be responsible for monitoring post-issuance compliance issues.
- B. The Compliance Officer will coordinate procedures for record retention and review of such records.
- C. All documents and other records relating to Obligations issued by the Issuer shall be maintained by or at the direction of the Compliance Officer. In maintaining such documents and records, the Compliance Officer will comply with applicable Internal Revenue Service ("IRS") requirements, such as those contained in Revenue Procedure 97-22.
- D. The Compliance Officer shall be aware of options for voluntary corrections for failure to comply with post-issuance compliance requirements (such as remedial actions under Section 1.141-12 of the Regulations and the Treasury's Tax-Exempt Bonds Voluntary Closing Agreement Program) and take such corrective action when necessary and appropriate.
- E. The Compliance Officer will review post-issuance compliance procedures and systems on a periodic basis, but not less than annually.

Issuance of Obligations - Documents and Records

With respect to each issue of Obligations, the Compliance Officer will:

- A. Obtain and store a closing binder and/or CD or other electronic copy of the relevant and customary transaction documents (the "Transcript").
- B. Confirm that bond counsel has filed the applicable information report (e.g., Form 8038, Form 8038-G, Form 8038-CP) for such issue with the IRS on a timely basis.
- C. Coordinate receipt and retention of relevant books and records with respect to the investment and expenditure of the proceeds of such Obligations with other applicable staff members of the Issuer.

Arbitrage

The following policies relate to the monitoring and calculating of arbitrage and compliance with specific arbitrage rules and regulations.

The Compliance Officer will:

- A. Confirm that a certification of the initial offering prices of the Obligations with such supporting data, if any, required by bond counsel, is included in the Transcript.
- B. Confirm that a computation of the yield on such issue from the Issuer's financial advisor or bond counsel (or an outside arbitrage rebate specialist) is contained in the Transcript.
- C. Maintain a system for tracking investment earnings on the proceeds of the Obligations.
- D. Coordinate the tracking of expenditures, including the expenditure of any investment earnings. If the project(s) to be financed with the proceeds of the Obligations will be funded with multiple sources of funds, confirm that the Issuer has adopted an accounting methodology that maintains each source of financing separately and monitors the actual expenditure of proceeds of the Obligations.
- E. Maintain a procedure for the allocation of proceeds of the issue and investment earnings to expenditures, including the reimbursement of pre-issuance expenditures. This procedure shall include an examination of the expenditures made with proceeds of the Obligations within 18 months after each project financed by the Obligations is placed in service and, if necessary, a reallocation of expenditures in accordance with Section 1.148-6(d) of the Treasury Regulations.
- F. Monitor compliance with the applicable "temporary period" (as defined in the Code and Treasury Regulations) exceptions for the expenditure of proceeds of the issue and provide for yield restriction on the investment of such proceeds if such exceptions are not satisfied.
- G. Ensure that investments acquired with proceeds of such issue are purchased at fair market value. In determining whether an investment is purchased at fair market value, any applicable Treasury Regulation safe harbor may be used.
- H. Avoid formal or informal creation of funds reasonably expected to be used to pay debt service on such issue without determining in advance whether such funds must be invested at a restricted yield.
- I. Consult with bond counsel prior to engaging in any post-issuance credit enhancement transactions or investments in guaranteed investment contracts.
- J. Identify situations in which compliance with applicable yield restrictions depends upon later investments and monitor implementation of any such restrictions.

- K. Monitor compliance with six-month, 18-month or 2-year spending exceptions to the rebate requirement, as applicable.
- L. Procure a timely computation of any rebate liability and, if rebate is due, to file a Form 8038-T and to arrange for payment of such rebate liability.
- M. Arrange for timely computation and payment of "yield reduction payments" (as such term is defined in the Code and Treasury Regulations), if applicable.

Private Activity Concerns

The following policies relate to the monitoring and tracking of private uses and private payments with respect to facilities financed with the Obligations.

The Compliance Officer will:

- A. Maintain records determining and tracking facilities financed with specific Obligations and the amount of proceeds spent on each facility.
- B. Maintain records, which should be consistent with those used for arbitrage purposes, to allocate the proceeds of an issue and investment earnings to expenditures, including the reimbursement of pre-issuance expenditures.
- C. Maintain records allocating to a project financed with Obligations any funds from other sources that will be used for otherwise non-qualifying costs.
- D. Monitor the expenditure of proceeds of an issue and investment earnings for qualifying costs.
- E. Monitor private use of financed facilities to ensure compliance with applicable limitations on such use. Examples of potential private use include:
 - 1. Sale of the facilities, including sale of capacity rights;
 - 2. Lease or sub-lease of the facilities (including leases, easements or use arrangements for areas outside the four walls, e.g., hosting of cell phone towers) or leasehold improvement contracts;
 - 3. Management contracts (in which the Issuer authorizes a third party to operate a facility, e.g., cafeteria) and research contracts;
 - 4. Preference arrangements (in which the Issuer permits a third party preference, such as parking in a public parking lot);
 - 5. Joint-ventures, limited liability companies or partnership arrangements;
 - 6. Output contracts or other contracts for use of utility facilities (including contracts with large utility users);

7. Development agreements which provide for guaranteed payments or property values from a developer;
8. Grants or loans made to private entities, including special assessment agreements; and
9. Naming rights arrangements.

Monitoring of private use should include the following:

1. Procedures to review the amount of existing private use on a periodic basis; and
2. Procedures for identifying in advance any new sale, lease or license, management contract, sponsored research arrangement, output or utility contract, development agreement or other arrangement involving private use of financed facilities and for obtaining copies of any sale agreement, lease, license, management contract, research arrangement or other arrangement for review by bond counsel.

If the Compliance Officer identifies private use of facilities financed with tax-exempt or tax-advantaged debt, the Compliance Officer will consult with the Issuer's bond counsel to determine whether private use will adversely affect the tax status of the issue and if so, what remedial action is appropriate. The Compliance Officer should retain all documents related to any of the above potential private uses.

Qualified Tax-Exempt Obligations

If the Issuer issues qualified tax-exempt obligations.. in any year, the Compliance Officer shall monitor all tax-exempt financings (including lease purchase arrangements and other similar financing arrangements and conduit financings on behalf of 501(c)(3) organizations) to assure that the \$10,000,000 "small issuer" limit is not exceeded.

Federal Subsidy Payments

The Compliance Officer shall be responsible for the calculation of the amount of any federal subsidy payments and the timely preparation and submission of the applicable tax form and application for federal subsidy payments for tax-advantaged obligations such as Build America Bonds, New Clean Renewable Energy Bonds and Qualified School Construction Bonds.

Reissuance

The following policies relate to compliance with rules and regulations regarding the reissuance of Obligations for federal law purposes.

The Compliance Officer will identify and consult with bond counsel regarding any post-issuance change to any terms of an issue of Obligations which could potentially be treated as a reissuance for federal tax purposes.

Record Retention

The following policies relate to retention of records relating to the Obligations issued. The Compliance Officer will:

- A. Coordinate with staff regarding the records to be maintained by the Issuer to establish and ensure that an issue remains in compliance with applicable federal tax requirements for the life of such issue.
- B. Coordinate with staff to comply with provisions imposing specific recordkeeping requirements and cause compliance with such provisions, where applicable.
- C. Coordinate with staff to generally maintain the following:
 1. The Transcript relating to the transaction (including any arbitrage or other tax certificate and the bond counsel opinion);
 2. Documentation evidencing expenditure of proceeds of the issue;
 3. Documentation regarding the types of facilities financed with the proceeds of an issue, including, but not limited to, whether such facilities are land, buildings or equipment, economic life calculations and information regarding depreciation.
 4. Documentation evidencing use of financed property by public and private entities (e.g., copies of leases, management contracts, utility user agreements, developer agreements and research agreements);
 5. Documentation evidencing all sources of payment or security for the issue; and

6. Documentation pertaining to any investment of proceeds of the issue (including the purchase and sale of securities, SLGs subscriptions, yield calculations for each class of investments, actual investment income received by the investment of proceeds, guaranteed investment contracts, and rebate calculations).
- D. Coordinate the retention of all records in a manner that ensures their complete access to the IRS.
- E. Keep all material records for so long as the issue is outstanding (including any refunding), plus seven years.

Continuing Disclosure

Under the provisions of SEC Rule 15c2-12 (the "Rule"), Participating Underwriters (as defined in the Rule) are required to determine that issuers (such as the Issuer) have entered into written Continuing Disclosure Agreements to make ongoing disclosure in connection with Offerings subject to the Rule. Unless the Issuer is exempt from compliance with the Rule or the continuing disclosure provisions of the Rule as a result of certain permitted exemptions, the Transcript for each issue of related obligations will include a Continuing Disclosure Agreement executed by the Issuer.

In order to monitor compliance by the Issuer with its Continuing Disclosure Agreements, the Compliance Officer will, if and as required by such Continuing Disclosure Agreements:

- A. Assist in the preparation or review of annual reports ("Annual Reports") in the form required by the related Continuing Disclosure Agreements.
- B. Maintain a calendar, with appropriate reminder notifications, listing the filing due dates relating to dissemination of Annual Reports, which annual due date is generally expressed as a date within a certain number of days (e.g., 365 days) following the end of the Issuer's fiscal year (the "Annual Report Due Date"), as provided in the related Continuing Disclosure Agreements.
- C. Ensure timely dissemination of the Annual Report by the Annual Report Due Date, in the format and manner provided in the related Continuing Disclosure Agreements, which may include transmitting such filing to the Municipal Securities Rulemaking Board ("MSRB") through the Electronic Municipal Market Access ("EMMA") System at www.emma.msrb.org in the format prescribed by the MSRB.
- D. Monitor the occurrence of any "Material Event" (as defined in the Continuing Disclosure Agreements) and timely file notice of the occurrence of any such Material Event in the manner provided under the Continuing Disclosure Agreements. To be timely filed, such notice must be transmitted within 10 days (or such other time period as set forth in the Continuing Disclosure Agreements) of the occurrence of such Material Event.

- F. Respond to requests or ensure that the Issuer Contact (as defined in the Continuing Disclosure Agreement) responds to requests, for information under the Rule, as provided in the Continuing Disclosure Agreements.
