Booster Club Meeting Minutes
Wednesday, March 9, 2022
5:30 - 7:00 pm

1. **Welcome and Roll Call** – Carrie Evans, Shari Peck, Ronda Wenger, Keri Francavilla, Kim Hopkins, Jen Halvas, Donna Benner, Karsen Cranney, Angela Hanson
2. **Meeting Minutes from 11/10/2021** – approved
3. **Review of Board Roles/Responsibilities and current vacancies:**
 - a. Bylaws and Rolls and Responsibilities for Officers/Committee Chairs was updated last in 2019 and is available online. <https://rchsjags.com/page/3200>
 - b. Officer Positions – Carrie Evans (president) and Shari Peck (treasurer) have graduating seniors and will no longer be on the booster club. Kim Hopkins is new Treasurer. Ronda Wenger is continuing as Secretary. We still need a president and vice president for the 2022 season. Katie Cary (current VP) is available to help/guide the replacements but needs support.
4. **Financial Update:**
 - a. Total Booster Club Assets - \$14,827.56 on 3/9/22. Cash box has \$158.15. All expenses have been submitted from 2021 season.
 - b. On 1/13/22 the booster board voted to a \$200 booster sponsorship for Taylor Cary's participation in the CHSCA All-State games. Future All-State sponsorships should be voted on annually as they arise.
 - c. Game Day meals were the biggest expense of the year and covered in the donations at the beginning of the season. We hope to be able to switch to buffet style meals at home games for 2022 season. Buffet style is harder to do at away games.
5. **Overview of upcoming months and coach needs - Coach Nylund**
 - a. Probably buying new uniforms this year. No other major equipment needed. Nets are good.
 - b. Team backpacks are getting old and they are a costly purchase for the whole team. Consider going the RC boys basketball route and put individual embroidered backpacks as part of the donation package options for 2022 season or just in the spirit wear selection items. Reach out to Shari Peck for more details of RC basketball backpack insight. If players don't want to buy a backpack, they could use the existing RC grey backpacks.

- c. Consider adding a home game admittance punch card to donation package this year.
- d. Insurance claim money for lost home game revenue during gym construction hasn't been received but should be coming.
- e. Open gyms will start after Spring Break.
- f. Camp dates have been proposed and Nylund is waiting for district approval. Hope to have camp dates confirmed after Spring Break.
 - i. Strength Training
 - ii. UNC Camp
 - iii. DU camp
 - iv. Skills camp – right before school starts
- g. Discussion about grass tournaments that used to be a form of fundraising in the summer. Hosting tournament became a challenge as competition with the club camps, grass/sand tournaments, and open gyms increased.
- h. We want different photographer for team pictures and senior photos this year. Coach Nylund's brother-in-law and Jenn Henningson are possibilities (Jenn is a reference from Carrie).
- i. There will be games after Fall Break this year. Teams will have practices on Fall Break – toward the end of the break week. Player's vacation travel should be planned early in Fall Break and be back for practices in later part of the week.

6. Hype Video Update –

- a. Ronda talked with Mr. McClurg about having his class work on a hype video for 2022 season home games. He will find 2-4 students this spring that will be ready to start capturing hype video footage in the pre-season at the start of 2022 school year. Footage will probably have to be taken at practice as the scrimmage dates are too close to first home game.

7. Next Booster Club Meeting – TBD - will most likely be held after the volleyball parent night held near the first week of May.

8. Booster Supply Cage Inventory / Organization – Carrie put all the spirit gear she was storing at her house into the cage. The new President/VP should take a look at all the great decorations and team spirit items that are available for the booster club's use.

Booster Club Meeting Minutes

Wednesday, May 2, 2022

1. Welcome and Roll Call:

- a. Meeting Called to Order at 5:43 PM
- b. **Attendees:** Angela Hanson, Katie Cary, Ronda Wenger, Jen Halvas, Karsen Cranney, Kathy and Kris Laguardia, Kim and Dave Carroll, Marty and Brinn Clark, Stephanie and Paul Casto, Pam Scheichenost, Melissa Thomsen, Natalie McGowan, Jen McGowan, Courtney Mendell, Anthony Alaimo, Sarah New, Rajju Mishra, Karyn Weiffenbach, Nikki Rae.

2. Meeting Minutes from 3/9/22 – approved

3. Financial Update:

- a. Total Booster Club Assets - \$14,827.56. Cash box has \$158.15.
- b. Game Day meals were the biggest expense of the year and covered in the donations at the beginning of the season. Hope to do more family style meals this year without Covid concerns.
- c. We need to come up with donation levels and swag packages before the tryouts so they are ready for the beginning of the season parent meeting. Will discuss this at our next Booster meeting.
- d. Coach Nylund has ordered new jerseys. She will inventory the cage this year but expects to at least need new volleyballs.
- e. Coach Nylund received \$6005 insurance claim from lost revenue in 2021 season.

4. Coach Nylund Updates:

- a. Backpacks – current backpacks are in bad shape. There will be an option to buy a Rock Canyon backpack this year and have it embroidered. There will still be some of the old backpacks that can be borrowed or bought if players don't want to buy a backpack. Coach is hoping to order about 50 backpacks so they are ready for the season and then players can get them embroidered after the start of the season. Angela will ask the vendor if that works.
- b. Might do outdoor open gym instead of a grass tournament this summer.

- c. We will be using a new photographer this year. Varsity parents can pay upfront and receive all the proofs for the varsity shoot. This will be much more economical than Monty Nuss. Senior banners will be hung in the gym this year.
- d. **Fall Break** - There will be 2 games after Fall break. Parents need to plan on having girls back for practice on the Thursday of Fall break. If girls are around earlier in the week, they will hold some scrimmages.
- e. The games will mostly be on Tuesday and Thursday this season. There is still a shortage of officials so game times are in flux.
- f. Parent meeting will be held shortly after teams are announced in the Fall.

5. Hype Video Update –

- a. Mr. McClurg (RCTV teacher) will find 2-4 students this spring that will be ready to start capturing hype video footage in the pre-season at the start of 2022 school year. Footage will probably have to be taken at practice as the scrimmage dates are too close to first home game.

6. Next Booster Club Meeting – TBD – Will meet in late June. Coach Nylund will send out an email.

- a. Discussion topics for next meeting: Booster Packages, Game Schedule

4. Coach Nylund Updates:

- a. **Backpacks** - the delivery time is too long this year for new player backpacks to be included in the booster packages or as a separate order. Will wait until next year to offer ordering new Rock Canyon/personalized backpacks. This year there are 35 clean backpacks (including 15 white), and 16 OK backpacks.

- c. **Mandatory Parent/Player meeting** – scheduled for Friday 8/12/22.

The video board router went out and that's why it was unusable at the 8/18 game. He hopes to have the video edited for use at the second home game for the video board operator to play. The students should also have a hype video completed for use at later games.
