Subd. 5. Vacancies occurring during the summer months will be posted on the HLWW district website for a period of ten (10) working days.

No more than three employees shall be entitled to compensation for participation in a single meeting or hearing with respect to any one grievance, unless the person is a party to the grievance.

**Section 4. Time Limitation and Waiver:** A grievance shall not be valid for consideration unless the grievance is submitted in writing to the District's designee, setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within 20 days after the date of the first event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the District's designee. The parties may by written mutual agreement waive participation in the grievance steps and may similarly agree to extend the time limits established in this Article.

**Section 5. Informal Discussion:** In the event that an individual or group of individuals believes that there is a basis for a grievance, he/she or they may first discuss the alleged grievance with his/her or their administrative supervisor either privately or accompanied by a representative without having reduced the grievance to writing. If a grievance is properly appealed to the Superintendent, the Superintendent or designee shall set a time to meet regarding the grievance within 10 days after receipt of the appeal. Within 10 days after the meeting, the Superintendent or designee shall issue a decision in writing to the parties involved.

Subd. 3. Level III. Within 20 days after the meeting, the School Board shall issue its decision in writing to the parties involved. At the option of the School Board, a committee or representative(s) of the Board may be designated by the Board to hear the appeal at this level, and report its findings and recommendations to the School Board. The School Board shall then render its decision within the time periods specified.

**Section 7. Denial of a Grievance:** Failure by the School Board or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the employee may appeal it to the next level.

**Section 8. Grievance Mediation:** Upon mutual agreement, the parties may petition the Bureau of Mediation Services for assistance in the resolution of any grievance prior to arbitration. If the parties so agree, the timelines for such review and appeal to arbitration shall be adjusted by mutual agreement between the parties.

If no agreement on an arbitrator is reached, either party may request the commissioner to appoint an arbitrator, pursuant to the PELRA, providing such request is made within 20 days after request for arbitration. The request shall ask that the appointment be made within 30 days after the said request.

Subd. 4. Hearing. The grievance shall be heard by a single arbitrator and both parties may be represented by such person(s) as they may choose and designate, and the parties

shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceedings before the arbitrator shall be a hearing de novo.

Subd. 5. Decision. The decision by the arbitrator shall be rendered within 30 days after the close of the hearing. All witnesses shall be sworn upon oath by the arbitrator.

**Section 10. Jurisdiction:** The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement, nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include, but not limited to such areas of discretion or policy as the functions, and programs of the employer, it's overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, in its order the arbitrator shall give due consideration to the statutory rights and obligations of the School Board to efficiently manage and conduct its operation with the legal limitations surrounding the financing of such operations.

**Section 11. Election of Remedies and Waiver:** A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this Article. Upon issuing a proceeding in another forum as outlined herein, the employee shall waive the right to initiate a grievance pursuant to this Article, or if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. Any increase in assignment due to an extended school year or a summer school assignment shall be in order of seniority by the most senior having the right of first refusal to the extra assignment. If the District, due to a student's needs and IEP or medical recommendation request the same paraprofessional for the summer school session as the student had for the regular school year, the District shall meet and confer with the unit leadership. The paraprofessional must be willing to work the summer assignment. The unit leadership will have the authority to grant a waiver of the normal summer employment procedure to the District for specific incidents that meet these criteria.
