Little Laker Learners Preschool offers fun and educational hands on learning activities for children ages 3, 4 and 5. Students who attend Little Laker Learners Preschool have the opportunity to grow emotionally, physically, academically and socially by focusing on the Minnesota Early Learning Standards.

Little Laker Learners Preschool uses Creative Curriculum, the GOLD Assessment System, OWL and Everyday Math curriculums to achieve positive outcomes. By evaluating and planning, staff implements each child's learning experience and helps students reach their full potential by challenging students.

ENROLLMENT

Please keep in mind that classes are first come, first serve so registering as soon as you can once registration opens will help make sure that you are able to enroll in the class that you prefer. Each registration we receive does not guarantee enrollment into your class, each registrant's application is pending approval of the Little Laker Learner staff and current number of students in class when enrollment was submitted. Please note that it should take approximately 15-20 minutes to complete the registration process.

When enrolling, please have the following information on hand before beginning the registration:

- Your preferred preschool class
- Emergency contacts
- Health and medication information, including primary physician, clinic and dentist clinic information.
- Electronic payment method (credit card or ACH)
