## To The 2023 Boys Football City Championship!

For over 100 years, the Chicago Public League has proudly hosted the Boys Varsity Football City Championship each fall.

The first ever Football City Championship was held in 1920 and won by Englewood High School (now Urban Prep Charter). Simeon holds the record for the most City Championships in football with eleven.

Last year's championship matchup featured Simeon and Taft, with the Simeon Wolverines securing the city title!

This year's matchup features the Kenwood Broncos and the Whitney Young Dolphins. Kenwood last captured the city title in 2021, while Young will compete for its first football championship in school history.

And as has been tradition for over 90 years, the team that wins the Chicago Public League Championship will face the winner of the Chicago Catholic League in the historic Prep Bowl, which was won last year by Simeon.

We thank you for attending today's game and for supporting our student-athletes and programs. Good luck to both teams in today's exciting matchup!

The Chicago Public High School Athletic Association, commonly known as the **Chicago Public League**, is the interscholastic competition arm of the **Chicago Public Schools**. The governance of the CPL is set through the Department of Sports Administration and Facilities of CPS.
