WELCOME

To The 2024 Girls Varsity Soccer City Championship!

Since 1994, the Chicago Public League has consistently crowned Girls Varsity Soccer Champions, with Juarez capturing that first title.

Last season Marine Leadership defeated Washington in the Windy City Cup.

Last season, [Lane Tech defeated Jones](#) in a thrilling matchup, winning its eighth consecutive city title.

This year, Amundsen will take on Solorio in the Windy City Cup and Lane Tech will look to defend its title as it takes on Whitney Young in the Varsity City Championship, a rematch of the 2022 title game.

We wish the best of luck to our student-athletes in today's championship game and upcoming IHSA state playoffs.

Thank you for supporting our programs and for attending today's game!

The Chicago Public High School Athletic Association, commonly known as the **Chicago Public League**, is the interscholastic competition arm of the **Chicago Public Schools**. The governance of the CPL is set through the Department of Sports Administration and Facilities of CPS.

Congratulations To This Year's Conference Champions!
