WELCOME

To the 2024 Chicago Catholic League vs. Chicago Public League Baseball All-Star Game!

The Chicago Catholic League and the Chicago Public League have a rich history of competition, including this All-Star game and the historic Football Prep Bowl, held each year at the conclusion of the season.

After a few year pause due to the pandemic and a rainout last season, both leagues are excited to once again showcase the best athletes from each league on the major league stage.

Students were selected to each all-star team based on nominations by each league's coaches association and administration.

Thank you for supporting our programs and for attending today's game!

The Chicago Public High School Athletic Association, commonly known as the Chicago Public League, is the interscholastic competition arm of the Chicago Public Schools.

The Chicago Catholic League is the IHSA-governed interscholastic competition program for 14 parochial schools within Chicago, with their inception dating back to 1912.
