WELCOME

To The 2024 Boys Football City Championship!

For over 100 years, the Chicago Public League has proudly hosted the Boys Varsity Football City Championship each fall.

The first ever Football City Championship was held in 1920 and won by Englewood High School. Simeon holds the record for the most City Championships in football with eleven.

Last year's nail-biting championship featured Kenwood and Whitney Young, with the Kenwood Broncos securing the city title!

In this year's matchup, Kenwood and Whitney Young meet again! While the Broncos intend to keep their streak, the Dolphins hope to take home their first city championship in school history in this year's highly anticipated rematch.

And as has been tradition for over 90 years, the team that wins the Chicago Public League Championship will face St. Ignatius of the Chicago Catholic League in the historic Prep Bowl, which was won last year by Simeon.

(Full Prep Bowl History Can Be Found Here)

We thank you for attending today's game and for supporting our student-athletes and programs. Good luck to both teams in today's exciting rematch!

The **Chicago Public League** is the interscholastic competition arm of **Chicago Public Schools**, servicing over 50k student-athletes each school year across 19 different sports.
