# WELCOME

## To The 2025 Girls Soccer City Championships!

The Chicago Public League (CPL) has been crowning Girls Varsity Soccer Champions since 1994, with Juarez securing the first-ever title!

Last season, Lane Tech took home their ninth consecutive City Championship in a 1-0 victory over Whitney Young.

This year's title game will see the defending champions Lane Tech square off against Amundsen.

All of us at the Chicago Public League are looking forward to another great title game this year and we thank you for your support of our student-athletes and programs!

The **Chicago Public League** is the interscholastic competition arm of **Chicago Public Schools**, servicing over 50k student-athletes each school year across 19 different sports.
