# WELCOME

## To the 2025 Chicago All-Star Baseball Game!

The Chicago Catholic League and the Chicago Public League have a rich history of competition, including this All-Star game and the historic Football Prep Bowl, held each year at the conclusion of the season.

Both leagues are excited to once again showcase the best athletes from each league on the major league stage.

Students were selected to each all-star team based on nominations by each league's coaches association and administration.

Thank you for supporting our programs and for attending today's game!
