Head Coach Ray Bikulcius is hosting an exclusive clinic for Mountain Vista High School Athletes interested in improving their golf game. Each week will consist of breaking down different aspects of the swing, with help from David Fischer, PGA Professional. The facility is equipped with Track Man, Hack Motion and K-Vest to help educate the player and provide high technology instruction.

We will also work on flexibility, stamina, and strength each week to help with power and athleticism. Short game and putting will be emphasized daily. Course management and on course playing will also be instrumental for season preparation. The last two weeks will consist of two range sessions and 9 holes at The Links in Highlands Ranch and Family Sports in Centennial.

Coach Ray is a Level 3 Titleist Performance Institute Trainer and a National Academy of Sports Medicine Golf Fitness Specialist.
