

# **Red Lake Watershed District Scholarship**

## **General Application**

**Organization:** Red Lake Watershed District

**Phone number:** 218-681-5800

**Email:** [RLWD@redlakewatershed.org](mailto:RLWD@redlakewatershed.org)

**Purpose:** To ease some of the financial burden of aspiring natural resource professionals

**Focus:** Natural Resource Degrees

**Qualifications:** Applicant must be a senior who attends a high school that resides within the boundary of the Red Lake Watershed District (list of qualifying schools on the 2<sup>nd</sup> page) and will be pursuing a natural resources degree. They must be attending college full time with a credit minimum of 12 per semester (standard full-time student).

**Required Materials:** A letter of application. Which should include 3 topics. First a description of why you chose your field. Second, any career goals that you have and how you may accomplish them. Third, tell us if you have participated in any volunteer work within the natural resource field. Including what company it was with and what you were doing. The letter should be a minimum of 500 words and maximum of 750, Times New Roman, 12 font, 2 spacing.

In addition to the paper, a class schedule must be sent to RLWD to confirm field of study and credit amount. The scholarship will be deposited after the first semester has been completed and the 2<sup>nd</sup> semester class schedule is submitted.

**Criteria:** Selection is based on merit and passion for natural resource work

**Funds:** \$1,000 for the year
