

Dual Sports Participation

Mustang Coop Dual Sport Statement

No athlete can participate in multiple sports per season. An athlete may petition to participate in dual sports in MSHSL governed sports at the varsity level. The athlete, athlete's parent, and coaches from both teams the athlete wants to participate in must complete and sign this form. In addition, the athlete, athlete's parent, and head coaches will need to appear at a Mustang Coop Committee meeting for approval to participate in dual sports. Petition forms must be submitted to Dan Alto no later than April 1st, 2025. The Mustang Coop Committee petition meeting will be held at the Northome School at 1:00 pm on Wednesday, April 2, 2025.

***Trap shooting is not a MSHSL governed activity, so athletes can play a sport and participate in trap shooting.

Athletes Name: _____

Grade: _____

Primary Sport: _____

Secondary Sport: _____

Dual Sport Participation Guidelines:

1. Varsity athletes may petition the Mustang Athletic Coop Committee with the support of their parents and the head coach of their primary and secondary sports.
2. Practice and contest participation will be discussed at the petition meeting.
3. In case of conflicts, the athlete must attend practice and participate in contests in the primary sport.
4. The Mustang Cooperative committee will approve or deny the petition ("I want to try" to participate in more than one sport is not a valid reason for a petition).

Athlete's Dual Participation Statement: (Why should I be considered for participation in more than one sport per season?)
