2024 Season Preview	28-29		

W elcome to Benilde-St. Margaret's School, home of the Red Knights! We are excited for another great season of football here at BSM! At Benilde-St. Margaret's, we believe that education includes the experiences our student-athletes have as they pursue excellence in their sport. We are proud of all of our student-athletes who daily challenge themselves, throughout the season and their entire athletic career, to be the best they can be!

As a Catholic school, our athletic programs provide student-athletes with unique opportunities to be leaders, learn teamwork and resilience, and forge friendships that will last a lifetime. I also want to acknowledge the coaches, trainers, facilities staff, and countless other BSM employees who work to make these safe, character-building, and memorable experiences for our student-athletes. We could not do it without you!

The experiences our students have in their athletic endeavors are a part of the distinctive BSM experience that all Red Knights enjoy. Students are known by faculty who support them to grow and challenge themselves in the classroom, through internship experiences, service opportunities, and faith exploration. Our student-athletes have the opportunity to excel not only in their sport, but to also take part in one of the many other co-curricular activities BSM offers to ensure a holistic education.

Thank you for joining us in cheering on our Red Knights during the 2024 BSM football season: our coaches and student-athletes are grateful for your support.

Go Red Knights!

Danielle Hermanny '03, President

Welcome to tonight's football game. There is nothing like the energy and excitement surrounding a Red Knight home football game. We start a new era in Red Knight football and welcome Coach Brad Anderson to our sidelines. His background includes a wealth of coaching and administrative knowledge that will help him successfully oversee our football program. During his 18 years as the head coach at Wayzata High School his teams amassed a 156 – 47 record, won ten Lake Conference championships, ten section titles, and three state championships. We are excited to have Coach Anderson bring the same level of success to BSM for our student athletes and Red Knight community.

The many hours spent both in the weight room and on the field have the team looking sharp as the Red Knights look to gain on the momentum from last season's run to the State Tournament. BSM has a very difficult schedule coming up. Byron, Rocori, and Totino Grace also made it to State last fall. Delano and Mound Westonka are traditionally tough opponents and hosting the Academy of Holy Angels for homecoming will highlight the schedule!

As a former Red Knight football player, I am excited to see how this season unfolds!

Please enjoy tonight's football game and Go Red Knights!

2023 RED KNIGHT FOOTBALL SEASON RECAP

STEPPING

After not winning a regular season game during the 22-23 football season, followed by two wins in the playoffs, the 23-24 BSM football team took a huge leap forward with a run to the State Quarterfinals creating lots of buzz about a program that is on the rise, while also leaving some unfinished business coming up just short of getting to, "The Bank."

The Red Knights, led by captains Eddie Wolfe, Andrew Walters, Slater Crandall and Nirvaan Yogarajah started a new schedule playing most of the powerhouse class 4A teams in the state during the regular season. In fact, at some point in the season your Red Knights played three of the final four teams (Byron, Rocori, and North Branch) playing for the State Championship losing competitive games to these long-established programs. Nirvaan Yogarajah ('24) led the state in completions with 223, was second in the state with 3,297 passing yards and #6 in the state with 28 passing TDs while rushing for 8 touchdowns on top of all the passing accolades! Returning receivers Khalif Brown ('25) and Luke Guggenberger ('25) were Nirvaan's favorite targets with Brown landing 4th in the state with 70 catches and over a thousand yards receiving while Guggenberger reeled in 12 TDs and 875 yards.

The air raid passing attack was complemented by Sean Washington's ('26) 174 carries for 1,425 yards and an amazing 8.2 yards average! None of this would have been possible without an offensive line leading the way. Grant McCombs, David Birch, Tommy Staples and Colin Alexander are all returning, and eager to protect their quarterback (just seven sacks allowed last year) and open even more running lanes for the backfield this season. The swarming defense led by Wolfe ('24), Walters ('24), Crandall ('24), and Chase Brixius ('25) gave opposing teams fits. The D-line backed up by Walters and Brixius took care of the run game while Wolfe, Crandall and the other D-backs locked down the passing game. The defense promises to be even more stifling as Brixius, multiple starters, and Will Seymour ('25) return to shut down opposing offenses.

Coach Anderson and the Red Knight Football Community are excited for you to join them as they look to repeat as Section Champions, and then take that next step to get to "The Bank," and bring home the State Championship!

NO LIMITS

COACH'S CORNER

How many times in life have I wondered, "Did I limit myself and the possibilities of what I could be or could do?" I don't know that exact number, but I do know that it was more than once.

As a head football coach, I am often asked, "How is the team going to be this year?" My typical reply is, "I don't know for sure, but I am hopeful!" So, as I begin my first season at Benilde-St. Margaret's, where I do not yet know all the players, where I've put together a whole new staff, and where I am facing a completely new schedule - I can wholeheartedly answer that recurring question with, "I don't know, but I am hopeful!"

I AM hopeful, but I would like this year to be a bit different though. I'd like to invite players, coaches, friends, family, and fans to make it a year with NO LIMITS. A year to dream of what is possible. To not predict what will happen, but enjoy what is happening as it does. A year to be surprised and amazed by the wonderful plays and actions of our players, fans, family, coaches, and team. A year to enjoy the company of each other and the brief moment of time we call a season.

This year will only happen once. If we do it right, this 'once' will fill a lifetime of memories.

*“When you’ve done everything you can do,
That’s when God will step in and do what you cannot do.”*

2 Corinthians 12:10

In our football program, as in all of our sports and activities here at Benilde-St. Margaret’s, faith is definitely a key component. As we tell our students, not only do we care about how you do on the playing field, court, or stage; we also care deeply about how you do in life, and faith is truly the foundation upon which a successful life is based. As the football chaplain, I conduct a special chapel with the team on game days, using Scripture and prayer as a uniting and strengthening force, placing ourselves in the Presence of our God. At the beginning of the season, we offer a special blessing based upon a passage from the Book of Joshua: “I command you: Be strong and courageous! Do not fear or be dismayed, for the Lord, your God, is with you wherever you go.” (Joshua 1:9) With a firm belief in your God who created you, in yourself as a child of God, and in others who support, encourage and love you, there is nothing in life that can overcome you.

TREATED BY TRIA

It's the sticks and stones of everyday life that bring you to TRIA. Like the handstand that gave your wrist the twist. Whether you're a professional athlete or living room gymnast, you'll receive the same expert orthopedic care and attention you need to get back in the game. It's why you're treated and how you're treated by TRIA.

ORTHOPEDIC URGENT CARE
