Athletic Registration for Arbiter

Dear Parents,

As we integrate a new website, registration, and payment form for athletics, please follow the following to help make this transition as easy as possible.

Please follow the link below to set up your athletes Arbiter Registration:
https://arbitersportshelp.zendesk.com/hc/en-us/articles/19923853845517-How-do-I-create-anaccount-and-register-for-the-first-time-For-Parents

Here is the new Athletic Website link:
https://greatheartsforestheightsathletics.arbiterwebsites.com

If you have a physical for your athlete it will be uploaded on the registration page. Remember please only pay on the Configio website link that is provided in the letter that your athlete will receive if they make the team they are trying out. You will have 5 days from the time they receive the letter to pay. If an athlete has not paid for the current sport they will not have a uniform checked out to them. Once it is paid they can pick up their uniform. If you need financial assistance please reach out to Lara Tysinger at lara.tysinger@greatheartstxschools.org.

I appreciate your patience in the following process.

Thank You,

Mark Gately
Athletic Director
Forest Heights
