MARANATHA CHRISTIAN ACADEMY

Maranatha Christian Academy endeavors to build unity by creating a kingdom culture that challenges and equips students, parents, and staff to respect and value all people according to God's Word. This is our Kingdom Culture Statement.

Our Culture in Action

Maranatha is not just a school, **it's a community** where each student and staff member contributes to what makes up the culture of the school. **Together we commit to becoming:**

- **Spirit-Driven Leaders**
- **Impactful Innovators**
- **Critical Thinkers**
- **Kingdom Community Builders**
- **Courageous Change Agents**
- **Compassionate Problem Solvers**

At Maranatha, we are going way beyond the ordinary measures of academic standards, delivering the kind of education that opens eyes and hearts for a lifetime. Here curiosity is applauded, discovery is championed, and ultimately world-influencers are shaped.

An Innovative Approach

There was a time when education was comfortable. Parents sent their kids on the bus in the morning and late afternoon they returned home smarter; at least that was the assumption. While other industries continued to be pushed to improve, many educational institutions were not challenging the norm. Maranatha Christian Academy noticed a change was needed, especially within the private Christian education space. So, it went to work seeking out what was successful in other industries and cutting-edge schools. Then, methodically began to incorporate these concepts, integrating them with our strong Christian worldview.

Today, Maranatha is an innovative and counter-cultural school, always looking for ways to improve teaching and learning. Industry-leading consultants continually work with teachers to incorporate innovation incubators. Using comprehensive design thinking cohorts, teachers learn changemaker processes of problem-solving, critical thinking, collaboration, and more. Then, creatively release them into their classroom.

A Christian Worldview

The world around is unsettled. Many schools and the curriculum they use to educate students are changing in an attempt to fit into societies' ever-shifting perspectives. At Maranatha Christian Academy, we believe that having a strong biblical foundation is essential to teaching and learning.

One such area under scrutiny as of late is how Minnesota schools will handle their social science curriculum in the near future. We endeavor to see and teach everything through the eyes of Jesus. This perspective allows us to base our educational standards on our Christian worldview, developing strong co-creators of tomorrow.

Our Christian worldview will not be compromised at Maranatha Christian Academy.

Service Learning

In everything we do and say, we want it to be a true reflection of who we are, what we believe, and what we will never stop standing for. We embody this by teaching our students to lead with empathy through service projects, beginning in Pre-k and continuing through to graduation. The Share Christmas event gathers 1000s of toys for our local community, and over the last few years, we have packed over 215,000 meals to be

delivered to local food shelves, providing real, practical solutions for the battle against hunger in our community. Upper School students have the opportunity to serve a local orphanage, church, and the people of Zacatecas, Mexico through our annual missions trip.

DEB LARSON

HEAD OF SCHOOL

Welcome to Maranatha!

Maranatha Christian Academy is positioned to go well beyond the ordinary, identifying opportunities that explore possibilities and establish purpose in our students, staff, and parents. Our unwavering vision, relentless pursuit of improvement, and dedication to our mission serve as inspiration to continue to set and then re-set the bar in education.

In our fast-paced world, change is inevitable. At Maranatha, we adapt, or better yet, get out in front of change, resulting in a truly innovative school and, in turn, learning experience. We inspire students to be Spirit-driven leaders who are courageous change agents for kingdom building. Our Christian faith is at the core of Maranatha. We celebrate our Creator's unique design of each student, seeking to personalize education so students can discover and develop their gifts.

I am honored that you value your children's education enough to explore not only what is best but what is right. By experiencing our community of learning at Maranatha, your students will be prepared for life's next chapter as they grow into courageous change agents, compassionate problem solvers, impactful innovators, critical thinkers, Spirit-driven leaders, and kingdom community builders.

I look forward to collaborating with you as we develop the co-creators of tomorrow.

Serving Him together,

2023 SEASON OUTLOOK

The Mustang Volleyball program will have a new look this year with first year head coach Drew Rongere, new uniforms, and a new starting lineup. There is a ton of excitement and buzz around the community about the direction Mustang Volleyball is headed.

The girls went on a pre-season team building retreat to Taylors Falls to have a little fun after a long first week and to get focused on the upcoming season. Everyone involved with the program is determined to build a winning culture with a huge focus on spiritual development, leadership, and life skills.

“This is a special group of athletes that are determined to be successful. They are a hard working group and are setting the standard for what the future of Mustang Volleyball will look like,” said Rongere.

The Mustangs are coming off a 9-19 season where they finished 6th in the Skyline Conference. They are returning five starters from last year and have a tough 2023 schedule that includes matches against three teams who participated in the 2022 MSHSL State Tournament as well as several other tough opponents.

They will also compete in three tournaments this year including trips to Como Park, St. Anthony, and Irondale. Following regular season play, the Mustangs will compete in the Section 5AA Tournament that sent Annandale to the MSHSL State Tournament a year ago. “Our section is a tough one and it gets even tougher this year with the addition of Legacy Christian Academy. We know how hard we need to work to win in the post-season and we will be ready to play our best volleyball once sections start,” said Rongere.

Come out to the Stable this season to see what all the excitement is about and cheer on your Mustangs!

COACHING STAFF

DREW RONGERE

HEAD COACH

Drew Rongere is entering his first year as head coach for the Maranatha Mustangs.

“This program has longed for a coaching staff that truly cares about the spiritual, physical, mental, and emotional development of athletes and can build a winning culture. I am excited for the opportunity to lead these girls,” said Rongere. “There is a ton of talent here at Maranatha and I anticipate a high level of excitement and support for Mustang Volleyball starting now.”

Rongere has spent the last 23 years coaching volleyball at the collegiate, high school, and club levels. It’s been twelve years since he has been on a high school bench, but there is no doubt that he is ready to be back in the gym and he definitely has the experience to lead this program. Since stepping away from high school volleyball in 2012, Rongere has been training and coaching some of the best athletes in the state at MN Select Volleyball Club.

This past club season, he led the MN Select 17-1 team to a 9th place finish at USAV Nationals in the 17-National division while helping all ten players receive scholarships
