**IV. PRESENTATION OF TAX LEVY:**

Mr. Theilen presented on the purpose of the tax levy and how it is structured. The EAV for 2020 was presented as being \$50,637,118 with the 2021 estimated EAV being \$53,968,974. This change in EAV is approximately 5%. Mr. Theilen explained that a Truth In Taxation Meeting must be held if the district is to file a Tax Levy requesting 5% or more of the 2020 extension to which his recommendation would be to request beyond 5% in order to capture the EAV growth. Edinburg is a PTELL district which means that we have a tax cap. Therefore, the County Clerk will determine the exact amount that the district is entitled to receive and we will be capped at that number regardless of what the district requests. However, if the district requests under the entitled amount, we will not only lose that money for this fiscal year but it will then forever be lost moving forward.
