**VI. UNFINISHED BUSINESS**

Discussion was held regarding the on-going pandemic. Mr.Theilen gave an overview of the number of students currently enrolled, counting students that are still participating in remote learning. Our total Covid 19-positive students to date are 4 at this time there are 38 quarantined including staff members. The Department of Public Health is getting stricter on who must be quarantined after an exposure. Administration sent out a survey to parents and to staff regarding the return to remote learning the survey results were 50 percent to stay in person and 50 percent to return to remote. With the stricter quarantine rules it is hard to cover staff if they are quarantined due to a substitute shortage.
