SPORTSMANSHIP

Students learn immeasurable unique lessons through interscholastic athletic participation.

Educators universally agree, of all the goals established as outcomes for secondary students involved in sports, **sportsmanship is primary.**

Students who learn to value and practice sportsmanlike behavior are developing the characteristics of good citizenship.

Honesty, generosity, self discipline, a sincere concern for others, ethical behavior and a commitment to fair play are all demonstrated in sportsmanship.

Nassau County Public High School Athletic Association member schools make sportsmanship a premier concern.

Thank you to all our coaching staff for promoting sportsmanship on the field and throughout the year!

***You must report all scores and statistics on our nassaucountysoccer.org website.**

****Newsday has new procedures outlined on the next page.**

Newsday Score Reporting

Given the nature of this season and that Newsday employees are working remotely, all high school scores should be submitted directly online using our Sports Central web-based program.

Many of you may already have an account for it (they're free, and independent of subscription to Newsday) and have used it in the past. If not, here are the steps to register. It only takes a couple minutes to do it all. It is optimized for mobile use, so you can register and/or report your scores via a smartphone or tablet without issue.

How it will work

There are fields to report the scores by quarter/period/half, fields to report game statistics and an opportunity to fill out some game highlight information. From there, a member of the Newsday high school staff will review the information, make any necessary edits and post it to your team page on our website, same as always. If there are questions or something to follow up on, Newsday will contact the person who submitted the information, so it is important to make sure your phone number and email address are current.

How to create an account

1. Go to <https://newsday.com/coach>
2. Click CREATE ACCOUNT and fill out the required information fields. If possible, avoid using an aol.com address.
3. You'll receive a verification email where you will need to click the link and follow the steps to assign your team to your account.
 - a. If you report scores for multiple teams, you can register them all at once.
4. Once you complete that step, an email automatically is generated and sent to us for final approval.
5. Once approval is saved, you will be able to **report game scores and stats, edit rosters and add games to your schedule**. (In most instances, Newsday will import schedules at the beginning of each season, but we realize there always will be changes, especially this season.)

If you already have an account

1. Go to <https://newsday.com/coach> and sign in to make sure everything is correct in terms of teams, schools and contact information.
2. If you don't remember your password, there's a "FORGOT PASSWORD?" link available you can click to reset it.

Important notes

1. This system is mobile-friendly, so it works on all devices and is optimized accordingly.
2. Typically, the winning team reports the scores, but we encourage all coaches in all sports to input their stats after a game. It helps to keep the data as accurate as possible.

INCLEMENT WEATHER

If there is doubt whether the game will be played:

END OF FIELD

A flip of a coin by the participating teams will determine which goal each team will shoot for at the start of the game.

These items are the responsibility of the participating schools. Each school must provide a minimum of four (4) supervisors. It is their responsibility to supervise the conduct of the spectators from their school. Please arrange to have responsible people available for this important assignment. Also, keep in mind that problems often arise at the conclusion of the game, in the parking fields, etc. Each participating school should make its own provision for reimbursing its supervisors. Supervisors should wear clothing (e.g. jacket) which identifies their school.

10. If two teams at the beginning of the season agree to start a league match earlier, they should notify Boces about the proposed change so that referees can be informed. Also, this will allow both schools to alert their respective communities to the change of starting time well in advance of the match.

Religious headwear now permitted:

Religious headwear will now be permitted without state association approval in high school soccer, effective with the 2021-22 season.

This change in Rule 4-2 of the NFHS Soccer Rules Book was recommended by the National Federation of State High School Associations (NFHS) Soccer Rules Committee at its January 18-20 meeting, which was held virtually due to the COVID-19 pandemic. The two recommended revisions to Rule 4 were subsequently approved by the NFHS Board of Directors.

Acting on an earlier recommendation to all sports rules committee by the Board of Directors, the Soccer Rules Committee adopted the following new language for Rule 4-2-10: "Head coverings worn for religious reasons shall not be made of abrasive or hard material and must fit securely."

Theresa Wynns, NFHS director of sports and officials and liaison to the Soccer Rules Committee, said the new rule will allow student-athletes to express their religious beliefs through the wearing of headwear without the approval of the respective state association.

Language regarding religious headwear was deleted from Rule 4-2-11, which now refers solely to head coverings for medical or cosmetic reasons. Head coverings for these usages still require a physician's statement before a state association can grant approval.

NEW YORK STATE PUBLIC HIGH SCHOOL ATHLETIC ASSOCIATION NASSAU COUNTY – SECTION VIII

GUIDELINES AND RECOMMENDATIONS FOR CODES OF BEHAVIOR FOR COACHES, PARTICIPANTS, SPECTATORS AND ADMINISTRATORS IN INTERSCHOLASTIC COMPETITION

I. Introduction

It is the duty of all those concerned with high school athletics to emphasize the proper ideals of sportsmanship, ethical conduct and fair play under all circumstances. The values to be derived from playing the game fairly should be stressed and any actions which tend to destroy those values should be discouraged. Courtesy should be shown toward opponents, officials, supervisors, spectators and administrators. Effort must be made to achieve a thorough understanding and acceptance of the rules of the game and the standards of eligibility and to respect the integrity and the judgment of the sports officials. It is important for all to recognize that the purpose of athletics is to promote the physical, mental, moral, social and emotional well-being of the individual players. Most of all it is the duty of all concerned with high school athletics to remember that an athletic contest is only a game and should be kept in that perspective

II. The Coach is expected to:

1. Set a positive example both on and off the playing area.
2. Be aware that you are representing a school district, a school and a student body. Impressions made are lasting and hard to live down.
3. Recognize that athletic competition is a means toward an end, not an end in itself. Specifically, athletics should lead to the development of healthy, well-adjusted young men and women.
4. Approach competition as a healthy and constructive exercise, not as a life and death struggle that requires victory at any price. It should be fun and enjoyable.
5. Recognize that the participants in individual or team sports are young men and women with human frailties and limitations who are capable of making mistakes.
6. Be prepared to win or lose. Be positive. Encourage peak performance within the rules of the game.
7. Command respect by personal attitude and behavior.
8. Be well-groomed. Wear appropriate attire be it casual or otherwise.
9. Do not use crude or abusive language with players, opponents, officials or spectators.
10. Respect the judgment of the officials, although it is reasonable for the coach to question officials' decisions, and even to disagree, the officials' decisions must be accepted graciously. Questionable decisions may be referred to the Section VIII Protest Committee.
11. Handle dissatisfaction with officiating quietly and efficiently through letters to Sports Coordinators the Executive Director or one of the Assistant Directors.
12. Avoid behavior that will incite players, parents or spectators.
13. Instruct players to respect officials. Questions concerning rules or interpretations should be made by the team captain as the team representative during the contest.
14. Encourage good sportsmanship and remove players from competition who demonstrate unacceptable behavior.
15. The athletic program is a total part of the educational opportunities provided for all students. It should be treated as just that.
16. Refrain from shouting disapproval of calls made by officials.

III. The Athlete is expected to:

1. Understand and abide by the rules and regulations of the game, and to respect the integrity and judgment of the officials.
2. Conduct themselves as ladies and gentlemen at all times.
3. Demonstrate self-control and mutual respect at all times. Uncontrolled emotions can be self-defeating.
4. Not use crude or abusive language or gestures in dealing with opponents, officials or spectators.
5. Accept victory with grace and defeat with dignity. Poor winners or losers do a disservice to themselves.
6. Set an example in word and deed, both on and off the playing area. Remember that athletes assume a role of leadership and that the young emulate their role models.
7. Be well-groomed, both on and off the field, as a representative of the school. Improper behavior while in uniform reflects badly upon yourself, your school, and your community.
8. Observe training regulations and requirements of physical fitness for better personal performance and greater contribution to the team effort.
9. Place athletic competition in its perspective. It represents only one part of the learning process and should not be pursued to the exclusion of everything else.
10. Remember that participation in athletics is a privilege that should not be abused.
11. Refrain from shouting disapproval of calls made by officials.

IV. THE SPECTATORS are expected to:

1. Conform to accepted standards of good sportsmanship and behavior.
2. Respect officials, coaches, and players and extend all courtesies to them.
3. Taunting, foul and abusive language, noisemakers, inflammatory remarks and disrespectful signs and behavior are not acceptable.
4. Obey the regulations of the site authorities. Those who do not conform should be brought to the attention of the supervisors.
5. Understand that schools are responsible for the conduct of their respective spectators, whether at home or away.
6. Refrain from shouting disapproval of calls made by officials.
