**Nassau County High School Boys and Girls Bowling
League Rules:**

1. Rosters must be sent to BOCES before the first match is bowled.
2. Code of Conduct will remain in effect for the entire season. Each bowler must sign a copy of the code. Coaches are to keep copies on file. Code of conduct will be enforced by respective coaches.
3. The lineup will consist of six bowlers per team for each game, using the top 4 scores. The two teams will bowl together with three players from each team on each pair of lanes. Modifications to competition format should be based only on Department of Health & School Board approved guidelines regarding close contact and reported to sport coordinators.
4. In the event a team does not have a complete four person lineup for a game, there will be no blind score.
5. The scoring will be based on an 11 point system. Three points for each game won, and two points for high team total.
6. A bowler may only bowl 3 games during the day of a regular season match. This includes both competition and practice games. Players can participate in one contest per day; therefore, a bowler cannot be substituted between Varsity and JV.
7. No team or bowlers may practice prior to competition at the host bowling center on the day of a scheduled match.
8. Position Rounds: First position round determined by order of standings. Second round has the exception of having locked positions play each other allowing teams to compete for contested positions in the final standings.
9. Ms. Trish Schiller will be our official scorekeeper and will do all the statistics for all conferences. Team and individual scores will be submitted through official format provided by Ms. Schiller. Coaches are responsible for accurate reporting. Winning teams are responsible for reporting match results to Newsday.
10. For any other concerns, please refer to the USBC rule book.

Failure to attend this meeting may exclude that team from the tournament.

To determine the county champions, teams will bowl 6 games, 6 members per game using the top 5 scores. The tournament check-in time is TBD. Teams will bowl three games, followed by a short break to calculate position round. The teams with the highest 6-game total score in each division will be named County Champions.

Any members of the county champion teams will be excluded from the competition.

Qualifiers:

Division 1 (600+) Schools: Top 12 teams according to varsity team average.

The second block of games will begin after the positions have been determined from the first three games. During the break your team may eat lunch at the lanes. Garden City Bowl requests that you do not bring food in from the outside. ***Please limit this to coaches only.***

WE WILL BEGIN THE SECOND SESSION ON TIME; FAILURE TO SHOW UP ON TIME WILL HINDER YOUR TEAM'S CHANCES.

Their score at the time of removal becomes their final score for the game.

The team with the highest 6-game total score will be named County Champion. If a tie exists the tie will be broken with a ninth & tenth frame roll-off.

Awards for teams finishing in first and second place; as well as individual high series and high game will be given out at the end of the season awards.

Any protests should be handled during the tournament and reported to Bryan or Eileen immediately.

Scoring/standings will be kept in tournament office/coaches room.
