OBSERVATION PLAN

Teacher _____

I would like to conduct a formal observation of your work in the classroom in the next two weeks. Please indicate below what class and period you would like me to observe unless I have indicated what period I would like to visit.

Class _____ Period _____

Please create an outline of what material you will be covering and any specific goals and objectives you are trying to accomplish during this period of time. If there is something in particular you want me to be aware of, please indicate that as well. Particularly, if there is something you are trying to improve upon, let me know this as well so I can help give you some more ideas to help you improve this area.
