Communication

Communication between family and school is very important at Red Rock Central. Parents can expect to receive communication through:

- *grade level newsletters
- *RRC website
- *JMC messaging
- *emails
- *Facebook (Red Rock Central Public School)

What is a School-Parent Compact?

A school-family compact for achievement is an agreement that parents, students and teachers develop together. It explains how parents (family) and teachers will work together to make sure all students get individual support they need to reach and exceed grade level standards.

Red Rock Central is a Targeted Title I School. The goal of a Targeted Assistance Title I school is to identify students most in need of educational support. These students are given extra support to endure that they can demonstrate proficient and advanced levels of achievement.

Red Rock Central Mission

In partnership with families and communities, the mission of Red Rock Central Schools is for all students to achieve their highest potential through academic excellence and personal growth.

Student Goals

Treat others with respect.

Follow classroom and school rules.

Pay attention and work hard in class.

Complete and return my homework when assigned.

Take home parent communications.

Ask questions when I need help.

Read and practice math facts for at least 20 minutes each day.

Parent Goals

I will promote good school attendance.

Help my child get 8-10 hours of sleep on school nights.

Check student backpacks/assignment book daily.

Set a limit on the amount of time your child spends in front of a screen such as a television, smartphone, or computer.

Encourage positive use of your child's time at home.

Communicate with classroom teacher and Title I teacher if I have any concerns.

Provide positive encouragement and praise to my child.

Teacher Goals

Provide whole and small group instruction.

Adjust instruction to meet your child's needs.

Communication with parent/guardian about child's progress.

Encourage good reading and math habits along with study skills.

Provide a positive learning environment.

Promote problem solving, reinforce and reteach skills when needed.

Falcon Code

I am respectful.

I am responsible.

I am safe.

I am prepared.

We are here to learn. Therefore, I will do nothing to keep the teacher from teaching, and anyone, myself included, from learning.

I will cooperate with all school people.

I will respect myself, others, and the environment.

By acting in this way, I am capable, connecting, and contributing.

Tips for success

Here are some ideas to help students practice their math and reading skills at home.

*Play word games with your child to enhance their reading, vocabulary, and spelling.

Play dice and card games with your child to help improve their number sense and math fact fluency.

Utilize some of the many educational websites available through the school website.

READ, READ, READ

Let your child see you READ. READ to your child, have your child READ to you.

Talk with your child-conversation is a great way to stimulate language development.
