Minnesota's Truth in Taxation Law requires that cities, counties and school districts follow certain steps before adopting a tax levy for the following year.

- The law requires a mailed notice to each property owner in the county, which describes the tax levies proposed by the city, county and school district and what percent increase (decrease) such a levy would mean in dollars.
- School districts are required to hold a single meeting in which the public is allowed to speak and the budget and levy is discussed. This meeting may be part of a regularly scheduled meeting but must occur after 6:00 P.M.
- The meeting date and location must be provided at the same time or prior to certifying the proposed property tax levy. The meeting date must be between November 25 and December 27.
- You are here tonight as part of the school district's public meeting process.
