## **Truth in Taxation Law**

Minnesota's Truth in Taxation Law requires that cities, counties and school districts follow certain steps before adopting a tax levy for the following year. One important part of that law requires a mailed notice to each property owner in the county which describes the tax levies proposed by the city, county and school district and what percent increase such a levy would mean in dollars.

# *Fillmore Central*

## **Truth in Taxation Public Meeting**

A second part of the law pertains to a “Truth in Taxation” public meeting for each taxing jurisdiction.

You are here tonight as part of the school district’s public meeting process.

# *Fillmore Central*

## **Requirements of the Truth in Taxation Public Meeting**

1. Discuss proposed property tax levy for taxes payable 2014
2. Provide and discuss information on the current budget (2013-2014).

## **Points to Remember:**

1. Revenue formulas are set by the State Legislature except for voter approved referendums.
2. Local Levy and State Aid mix are set by the State Legislature.
3. An increase in local taxes does not necessarily mean an increase in revenues for the school district.
