

Fillmore Central Vision, Mission and Belief Statements

Vision:

All students will graduate as life-long learners with the knowledge, skills, and character needed to succeed in our communities and global society.

Mission:

In partnership with our parents, our communities, and our staff, Fillmore Central Schools will inspire students to reach high standards through academics, arts, activities, and leadership opportunities.

Belief Statements: We believe...

- that all students are entitled to and can learn best through a high-quality education.
- that each student is a unique individual and must be provided learning opportunities that inspire achievement at his/her personal best.
- in being pro-actively involved in assuring the readiness of our students to begin their educational journeys.
- that active partnerships between the school, our families, and our communities are essential to the attainment of relevant educational goals.
- that assessment of student progress should be relevant and useful in guiding instruction to ensure learning.
- that highly qualified educators are a key to student success.
- that safe, inviting, well-maintained schools are vital for education.
- that students must be provided technological resources to prepare for the challenges and opportunities in the future.
- that maintaining the confidentiality of all student data is essential.

District-Wide Goals:

- Provide a school readiness program that equips all students with the social and cognitive abilities needed to be ready to start kindergarten.
- Provide the appropriate resources needed for every student to succeed at every grade level.
- Utilize effective instructional techniques and strategies to optimize student engagement and success.
- Support the growth and development of our professional learning staff.
- Assist students in the development and ownership of his or her individual lifelong learning plan.
- Manage the district fiscal resources in a prudent manner that maximizes educational opportunities for students and retains valued employees.
