

## SUPER SUNDAY PROGRAM 2017

GIRLS' BASKETBALL ALL-STAR \& CHAMPIONSHIP GAMES

Sunday March 5, 2017
The Loomis-Chaffee School Windsor, CT

Welcome to NEPSAC Super Sunday! The New England Preparatory School Girls’ Basketball Coaches Association (NEPSGBCA) is delighted that you could join us for our 6 Championship games and 4 All-Star games. NEPSGBCA would like to begin by expressing its deepest thanks and appreciation to the staff at The Loomis-Chaffee School for hosting today's event. Time and again, NEPSAC has been able to count on "Loomis" for its organization, attention to detail and commitment to our association. Our sincere thanks go to Athletic Director Sue Cabot, Head Coach Adrian Stewart, and the entire Loomis athletic staff for doing such a spectacular job of hosting our special day.

Basketball is a game about communities and families both on and off the court. Parents, classmates, and friends are here to support their daughters, sisters, cousins, buddies, and classmates. Whatever the results today, I hope that you will have long lasting memories of today as well as the season and careers. As President of the Board for these last 7 seasons (Boy does time fly!), I can speak for other members that we have been honored to take on the task that finds us saying goodbye to the 2016-17 season today, and that we have thoroughly enjoyed all the responsibilities and people we have worked with this season.

Many New England/Northeast college coaches were invited and are here today with an eye on players who might join their basketball programs and university communities. We express great thanks to the input and thoughts of the many college coaches throughout the Northeast who have attended; our Super Sunday event has grown year after year. I want to thank them for taking the time out of their busy schedules to be present with us today, and I hope they continue to find this day helpful in the recruitment of quality studentathletes and the valuable experience we and the players gain from our interaction at a day like this.

Super Sunday is also a very important community day for NEPSGBCA, NEPSAC's girls' basketball coaches association. In addition to our annual Coaches' Meeting, Super Sunday is a "family reunion" for our coaches. It is a fun time to see one another, swap stories, review the past campaign, share now tales from the winter we have been experiencing, and look ahead to next year. Thank you to all Tournament \& All-Star Committee members for making today's player and team selections possible and to all the coaches who have joined us today. Most of you, despite not reaching the goal of playing today, are here with us to meet, cheer, \& celebrate the season. Your commitment to girls' basketball never ceases to amaze; I thank you for today and for this season.

Above all, today we celebrate the great players and teams from throughout NEPSAC. Today we will have players become teammates for the first time in All-Star games or square off with/against one another for the first/last (or "innumerable") time in both All-Star and Championship games. In both sets of games, teams and players will renew great basketball rivalries and interactions. Lastly, players and teams will be looking to culminate their season with a title, and players with that last great hoop memory from a season or a career! Whatever the case may be, remember that NEPSAC basketball is a lifelong bond that you share. Please take the time to get to know one another deeper today as one never knows where you might cross paths again on or off the court. Also, please be sure to thank your coaches, teammates, family, and friends who played an integral role in guiding you to today's NEPSAC Super Sunday.

As I complete this season as president, I want to take a moment to thank you for this opportunity to serve you. I have been given the privilege to meet and work with such great people over these past seasons. The honor of calling them my colleagues and friends is something I am very proud to talk about, and is something I say with the utmost pride and positive reflection. NEPSAC has meant so much to me at my various "coaching stops" and to continue to be a small part of the growth of its Girls' Basketball Program is something I am blessed to be able to say. I am pleased to have been able to give back to NEPSAC on behalf of my schools and my time involved with coaching and administering girls’ basketball. Lastly, I must offer very special thanks to the members of the NEPSGBCA Executive Board who have partnered with me all season long to run the association and who I am know blessed to call close friends as well as colleagues thanks to my time with NEPSGBCA: Vice-President Lauren Moore of Marianpolis Prep, Treasurer Tara Brisson of The Tilton School, Tournament Co- Chairs Emily Roller Cushing Academy and Dave MacNutt of Wooster Academy, Statistics Co-Chairs Jen Harris of Greens Farms Academy and John Monagan of The Ethel Walker School, and Board Members Emeritus Bob Pipe of The Rivers School and Lindsay White of The Dana Hall School. All of you helped take the "work" from this position and replace it with "FUN" these 7 years and for that I am phenomenally grateful and lucky!

Thanks for joining us. We hope to see you back with us at the 2018 NEPSAC Super Sunday in March 2018 !
Sincerely,
Charlie Kelly NEPSGBCA President

## Class A East All-Stars

\#5 Emma Kelley
Height: 5'9 Position: PG
2016/17 Stats:
Graduation Year: 2017
School: Andover
Coach Comments: Led the team in points and rebounds her final two years and was captain both of those seasons. She finished her career with 733 points and was the second all time Career scoring in the school's history. She is still undecided for college.

## Coach: Elizabeth Monroe

Coach Email: emonroe@andover.edu
\#4 Kayla Kaloostian Height: $\quad$ Position: Guard Graduation Year: 2018
School: BB\&N 2016/17 Stats: 25 ppg, $3.4 \mathrm{apg}, 3.5 \mathrm{rpg}$
Coach Comments: Kayla has been a 3-year varsity starter for BB\&N. This year she was selected co-captain by her teammates. Kayla has shown outstanding leadership characteristics and has been a positive role model for our younger players. A dynamic guard with an NBA 3-pt range, Kayla reached 1000 career points earlier this season against St. Paul's. In addition, she also has the ability to take defenders off the dribble and get to the basket. Defensively, she is a very active and aggressive on ball defender that can force turnovers.
Coach: Rich Thornton
Coach Email: rthornton@bbns.org
\#32 Maya Blake Height: Position:Forward Graduation Year: 2017
School: Exeter
2016/17 Stats: 12 ppg, 4 rpg
Coach Comments: A four year varsity player and co-captain, Maya Blake anchored the middle as the focal point of Exeter's offense. Undersized for a post, Maya used her strength, deft touch, and fearlessness around the basket to lead Exeter in scoring while also routinely defending taller opposing players. Maya will be attending Duke in the fall to row crew.
Coach: Ron Kim
Coach Email: rkim@exeter.edu

Nicole's ability to guard the other team's best offensive player was crucial this year. She is not only a great 3-point shooter but can also put it on the floor and get to the rim.

She is also a 2 time first team all-ISL member, 3 time team MVP, and next year will be a team captain for the 3rd year in a row. She is a natural leader on and off the court and has a complete game as well as a high basketball IQ. Erin can take advantage of her length on the defensive end as well to create steals and blocks. She is a powerful rebounder with a big presence. This talented player has tremendous potential to dominate on both ends of the floor. Erin has been ISL AllLeague the past two seasons and also recently joined the 1000 point club, being only the fourth female in the history of the school to reach this milestone. Erin is also an extremely humble, coachable player and a most supportive teammate. She leaves LA a very rich legacy as she continues her basketball aspirations at the Div. 1 level next year at the University of Delaware.
Coach: Donna Mastrangelo
Coach Email: dmastrangelo@lacademy.org

Coach Comments: The hours and commitment that this player has put into her game are truly beyond others and has and will continue to pay off as she finishes an extremely successful high school career and moves on to play at the Division 1 level. She is a versatile guard, but her prowess comes on the offensive end as she is certainly a major threat and pure shooter from the three-point range and has great ability to run in transition. In just 2 years in the LA uniform, Abby has put up 738 pts. She has had 37 games in double figures and has been consistently one of the top scorers in the ISL. Abby also takes her responsibility on the defensive end seriously as she has been counted on to cover top opponents. Abby was selected ISL All-League last season and has been such an integral part of the success of our program. Abby will continue her career next year as a University of Rhode Island Ram.

She's a tenacious defender who is consistently tasked with shutting down the opponent's best player, and is able to create steals on the ball. Jen's projected to move from shooting guard to point next year, as she has the ability to handle the ball against pressure as well as see the open court. She has stepped up in the post for us this year and has the ability to shut down players with much more size. A true tweener, Michaela is a versatile player who can score both inside and out, and has been the highest scorer two seasons in a row for the Dragons. Michaela has the ability to take over games when she heats up, but also had many "quiet 20" point games, led by cleaning up around the rim and getting to the stripe, shooting $80 \%$ from the line on the season.
Coach: Molly Dullea
Coach Email: Molly_Dullea@stgeorges.edu

Coach Comments: Ava played nearly every minute of every game this season. She is a versatile and hard-working guard who raises the level of play for the rest of her teammates. She is a playmaker and demonstrates excellent composure driving to the basket and shooting from anywhere on the court. She sets the tempo on offense and has an outstanding attitude on and off the court. Currently a freshman, Ava has set high expectations for herself and for her future in basketball.

Callie is a player that gives $100 \%$ at every game and practice. She was not only our senior/captain, but our leader on and off the court. ## \#24 Kayla Mokwuah

## Graduation Year: 2018

School: Wilbraham \& Monson 2016/17 Stats: $25.1 \mathrm{ppg}, 19.3 \mathrm{rpg}, 5.1 \mathrm{bpg}$
Coach Comments: Kayla has been every bit of the word DOMINANT this season. The astronomical numbers she has put up all year were hard to comprehend, but so much fun to watch. Kayla had 20 double-doubles in 20 games. Kayla notched NINE 20-20 games on the season, seven of which were consecutive. In the midst of that streak, Kayla posted her second career triple-double with 33 points, 22 rebounds and 10 blocks in a win. Kayla finished her strong regular season with her first career 30-30 game! Kayla's monster game saw a career high 35 points, career high 34 rebounds and 8 blocks in a win. In a memorable week for her, she happily committed to play her college basketball for Jen Rizzotti at George Washington University on 2/14/17, and then scored her 1,000th career point on $2 / 16 / 17$. Not only is Kayla talented, but she is an awesome teammate, and works exceptionally hard!

## \#13 Courtney Thrun

School: Wilbraham \& Monson
Height: 5’10 Position: Guard
2016/17 Stats: 9 ppg, $4.7 \mathrm{rpg}, 1.7 \mathrm{spg}$
Coach Comments: Courtney has had a phenomenal Post Grad year at WMA. SUPER athletic, Courtney has fallen into her role with the Titans quite nicely. Courtney has a smooth shooting stroke out to the 3-point line, but can drive the ball to the basket equally well. Her strong suit, though, is her pull-up jumpshot. While her offensive game continues to grow, defensively she is scary. Courtney is able to guard 1 through 5 for us, with her quickness and strength alike, she is perfect for our full court and $3 / 4$ court pressure. Amongst her fond basketball skills and athleticism, Courtney is a joy to coach. She wants to be a student of the game, is a tireless worker, and she has only been playing basketball for 3 years. She has offers from Manhattan College and University of Hartford, but she is still undecided on college. Please feel free to contact Coach Brown with interest.

## \#5 Annika Bruce

School: Wilbraham \& Monson

Height: 5’6 Position: Guard
2016/17 Stats: 8.1 ppg, 3 rpg, 4.8 apg, 3.3 spg

Coach Comments: Annika is the heart and soul of the WMA girls' hoops program. She is a passionate, spirited leader. And by the way, she plays HARD! Annika connected on 36 3FGM in 20 games, and was a zone buster most of the year for us. She is a coach's daughter, so she understands the game inside and out. Her work ethic is amazing, and as one of our "CORE FOUR" senior leaders, it is easy for me to have the luxury to say, please work as hard as "AB" works. I can coach her hard, and I know what I will get from her every game. INTENSITY, PASSION, and a WILL TO WIN that not many can match. I am not looking forward to coaching next year without Annika. AB will be attending Florida State University this fall, but not participating in athletics.

Coach Comments: With a total of 246 points this season and averaging 18.9 ppg , starting point guard and junior captain, Jennifer
Patterson has led BTA to a successful 14-2 season. For the past four years, Jennifer has consistently lead the varsity team on and off
the court. Outside of maintaining her grades, Jennifer spends much of her free time practicing on weekends. While actually being the
shortest player on the team at 5'5", Jennifer can truly dominate in any position on the court. She is often sought out by opposing
players and coaches before and after games to encourage and congratulate her. She is well received by referees with words of
encouragement and praise. She is well respected by her peers. Jennifer never gloats in success, but seeks to congratulate and celebrate
her teammates and opposing players after big games. Jennifer has an individual commitment to her team which has helped produce
many successful basketball seasons for BTA.

School: CHCH
2016/17 Stats: 10.0 ppg, $3.0 \mathrm{apg}, 6.0 \mathrm{spg}$
Coach Comments: Gen is a four year member of the girls’ varsity basketball program at the Chapel Hill Chauncy Hall School. Also a four year starter and a senior captain, Gen has been integral to the Charger basketball program's success over the course of her career. At the point guard position, Gen is constantly under pressure, and despite this fact, she led her team this season in points and assists, averaging 10 and 3 a game respectively. Arguably though, Gen's offensive prowess comes second to her defensive skill-set. She is one of the top defenders in the IGC and her knack for forcing turnovers whether through a deflection, caused errant pass, or steal has served her team well. She has been one of the leading factors in the Chargers basketball team's improvement over the past four years, taking her team to back to back IGC conference tournament and NEPSAC Class E tournament appearances. She will certainly be missed, and we wish her luck with her studies next year!
