March 3, 2019

Welcome to NEPSAC Super Sunday! The New England Preparatory School Girls' Basketball Coaches Association (NEPSGBCA) is delighted that you could join us for our 6 Championship games and 4 All-Star games. NEPSGBCA would like to begin by expressing its deepest thanks and appreciation to the The Loomis Chaffee School staff for hosting this event. Time and again, NEPSAC has been able to count on "Loomis" for its organization, attention to detail and commitment to NEPSGBCA.. Thanks to Athletic Director Sue Cabot, Head Coach Adrian Stewart and the entire Loomis athletic staff for doing such a spectacular job of hosting our special day.

Basketball is a game about communities and families both on and off the court. Parents, classmates, and friends are here to support their daughters, sisters, cousins, buddies, and classmates. Whatever the results today, I hope that you will have long lasting memories of today as well as the season and careers. As President of the Board for these last 9 seasons (that number increasing as fast as it does always amazes me), I can speak for other members that we have been honored to take on the task that finds us saying goodbye to the 2018-19 season today, and that we have thoroughly enjoyed all the responsibilities and people we have worked with this season.

Many area college coaches were invited and are here today with an eye on players who might join their basketball programs and university communities. We express great thanks to the input and thoughts of the many college coaches throughout the Northeast who have attended; our Super Sunday event has grown year after year. I want to thank them for taking the time out of their busy schedules to be present with us today, and I hope they continue to find this day helpful in the recruitment of quality student-athletes and the valuable experience we and the players gain from our interaction at a day like this.

Super Sunday is also a very important community day for NEPSGBCA, NEPSAC's girls' basketball coaches association. In addition to our annual Coaches meeting which has important details and ramifications, Super Sunday is the homecoming and class reunion for our coaches. It is a special day for everyone to catch up, get reacquainted, share some memories and stories for the season, and most importantly, pat themselves and each other on the back for a "job very well done!"

In that vein, thank you to all Tournament & All-Star Committee members and today's coaches in the All-Star games for making all of today's events possible as well as to all the coaches who have joined us today. Most of you, despite not reaching the goal of playing today in a title game, are here with us to meet, cheer, & celebrate the season. Your commitment to girls' basketball never ceases to amaze me; I thank you for today and for this season.

Above all, today we celebrate the great players and teams from throughout NEPSAC. Today we will have players become teammates for the first time or square off against each other for the last time in both our All-Star and Championship games. In both sets of games, teams and players will renew great basketball rivalries and interactions. Lastly, teams will be looking to culminate their season with a title, and players with that final hoop memory from a season or a career! Whatever the case may be, remember that NEPSAC basketball is a lifelong bond that you share. Please don't hesitate to take an extra moment for a selfie, high five, or some other way to get to know one another deeper today as one never knows where you might cross paths again on or off the court. Also, please be sure to thank your coaches, teammates, family, and friends who played an integral role in guiding you to today's NEPSAC Super Sunday.

As I complete this season as president, I want to take a moment to thank you for this opportunity to have this position. I have been given the privilege to meet and work with such great people over these past seasons. The honor of calling them colleagues in many cases has grown into deep friendships and that is something I am very lucky and proud to be able to say. NEPSAC has meant so much to me at my various "coaching stops" and to be a small part of the growth of its Girls' Basketball Program in the years since I have "left the sideline" has been a source of pride personally and professionally.

Lastly, I must offer very special thanks to the current (and former who are too many to mention) members of the NEPSGBCA Executive Board who have partnered with me all season long to run the association and who I am know blessed to call close friends as well as colleagues thanks to my time with NEPSGBCA: Vice-President and Tournament Committee Chair Matthew Ward of the St. Luke's School, Treasurer Tara Brisson of The Tilton School, Tournament Vice Chair Dave MacNutt of Wooster School, and Statistics Co-Chairs Ayo Hart of Sacred Heart Greenwich and John Monagan of The Ethel Walker School. All of you have helped me look far more talented and successful in this role than I really and you all have taken the "work" from this position and replace it with "FUN" the past season(s) and for that I am eternally grateful!

Thanks for joining us. We hope to see you back with us at the **2020 NEPSGBCA Super Sunday in March 2020!**

Sincerely, Charlie Kelly NEPSGBCA President

Her enthusiasm and effort on both ends of the court are contagious. Adia most recently scored her 1000th point as a Pelican. Adia's high basketball IQ and love for the game will lead to a successful college career in the future.
Coach: Jennifer Fithian **Coach Email:** jfithian@sps.edu

#21 Nicole Gallagher **Height:** 5'9" **Position:** Guard **Graduation Year:** 2019
School: Tabor **2018/19 Stats:**
Coach Comments: A 5'9" guard with one of the best all-around games in prep-school. She is deadly from the arc and if you close out to guard her she can get by and into the paint where she routinely creates shots for her teammates. At the defensive end she is a lock down defender on the ball and brilliant in the middle of a press off of the ball. She forces turnover and frequently turns defense into offensive transition opportunities.
Coach: Will Becker **Coach Email:** wbecker@taboracademy.org

#1 Nirel Lougbo **Height:** 5'11" **Position:** Guard **Graduation Year:** 2019
School: Tabor **2018/19 Stats:**
Coach Comments: A 5'11" guard with elite level athleticism and vision at both ends of the floor. She is able to get by a defender and create scoring opportunities for her team at will and is adept at finding the open shooter. On the defensive end she is able to make plays on and off of the ball—her ability to get steals and deflections is unfailingly disruptive to her opponents.
Coach: Will Becker **Coach Email:** wbecker@taboracademy.org

#31 Alex Giannaros **Height:** 5'8" **Position:** Guard **Graduation Year:** 2021
School: Tabor **2018/19 Stats:**
Coach Comments: A 5'8" scoring wing who is as talented driving to the paint as she is shooting from well behind the arc. She has the ability to make everyone on the floor better and elevates the play of her teammates with her play making ability. On defense she is as adept at seeing a play develop and anticipating the pass as she is hawking the ball in the open floor. She is truly talented at both ends of the floor.
Coach: Will Becker **Coach Email:** wbecker@taboracademy.org

#11 Cassie Davidson **Height:** **Position:** Forward **Graduation Year:** 2021
School: Thayer **2018/19 Stats:** 13.3 PPG, 3.1 APG, 6.2 RPG, 1.9 SPG
Coach Comments: Cassie has made a tremendous improvement since joining the team last year. Her confidence grew each game, as she leads the team in points this season. She is the definition of a high IQ player, as she is always in the right spot on both offense and defense. Cassie has a great three point shot, but she does not settle and will attack the rim with her left hand if need be. We are extremely happy she has two more years left at Thayer.
Coach: Billy O'Dwyer **Coach Email:** wodwyer@thayer.org

#23 Brittany Raphino **Height:** **Position:** Guard **Graduation Year:** 2019
School: Thayer **2018/19 Stats:** 11.2 PPG, 4.6 APG, 8.7 RPG, 3.1 SPG
Coach Comments: Brittany has been a four year starter on a team that has improved their win total each of the past 4 years. She makes an impact in a number of ways on the court, as she leads the team in rebounds, steals, blocks, and deflections. She is also second on the team in points and assists. Her greatest attribute is her unselfishness, as she makes everyone around her better. Brittany will be playing soccer next year at Brown University.
Coach: Billy O'Dwyer **Coach Email:** wodwyer@thayer.org

#12 Morgan Higgins **Height:** 5'5" **Position:** Guard **Graduation Year:** 201
School: Tilton School **2018/19 Stats:** 18.4 PPG, 6.5 APG, 4.4 RPG, 2.1 SPG
Coach Comments: A crafty point guard, Morgan Higgins can impact the game in so many different areas. She has the ability to distribute and score on any given possession and has been the most difficult player to guard for opposing teams all season. This season she led our team in total points, field goals made, points per game, assists per game, 3pt field goals made, 3pt FG percentage and steals. I expect her leadership on and off the court to carry over into the backcourt of whatever school scopes her up next season.
Coach: Tara Brisson **Coach Email:** tbrisson@tiltonschool.org

#11 Leilani Rodriguez **Height:** 5'6" **Position:** **Graduation Year:** 2020
School: Worcester **2018/19 Stats:** 8.3 PPG, 2.1 APG, 69 FG%
Coach Comments: Leilani is a shutdown defender. She can disrupt and change the complexion of a game with her on the ball defense, quickness, and intensity. She is "the coach on the court" directing the team on offense and distributing the ball to the open player. Leilani has a keen basketball IQ. 2nd in assists and 3rd in scoring this season. Leilani's energy is infectious and a great leader.
Coach: Sherry Levin **Coach Email:** sherrylevin24@gmail.com

Coach Comments: Adara is a versatile athlete who plays both a scoring guard and point guard. She has great vision and can make the best decision whether or not to drive or shoot or pass. She shoots 50% from behind the arc. Adara finishes at the rim and breaks down opponents defenses. Adara's competitive nature and skill set contributes to making everyone around a better player.
Coach: Sherry Levin **Coach Email:** sherrylevin24@gmail.com

#00 Aaliyah Boston **Height:** 6'4" **Position:** Center **Graduation Year:** 2019
School: Worcester **2018/19 Stats:** 16.1 PPG, 69 FG%, 10.3 RPG, 3.2 BPG, 2.6 APG
Coach Comments: Aliyah is one of the most talented players to compete in the NEPSAC. Her list of accomplishments include this year being named as a First team McDonald's All-American, 2x Massachusetts Player of the Year, Class AA MVP in leading team to a 2018 Championship, and three-time Gold medal winner with USA Basketball. Aliyah has been a three-year NEPSAC all-star while establishing new all-time records in points (1,728), rebounds (1,139), and blocks. Coach: Aliya Cox **Coach Email:** acox@choate.edu
- #42 Jordan Obi** **Height:** **Position:** Guard **Graduation Year:** 2020
School: Choate **2018/19 Stats:**
Coach Comments: A very strong guard who can shoot, handle, and pass. Shoots over smaller guards, and drives past typical post players. Isn't afraid to post on the low block when she feels like she has a mismatch. Jack of all trades...very talented.
Coach: Aliya Cox **Coach Email:** acox@choate.edu
- #2 Emma Reavis** **Height:** 5'9 **Position:** Guard **Graduation Year:** 2019
School: Deerfield Academy **2018/19 Stats:** 14.7 PPG, 6.4 RPG, 6.3 APG, 3.4 SPG
Coach Comments: Emma is a three-time NEPSAC all-star and the engine of Deerfield's team. For the past two seasons, she has led Deerfield in all major statistical categories: points, rebounds, assists and steals. She uses her basketball IQ and impressive court vision on both ends of the floor. Offensively, Emma can always be counted on to thread the needle and find the open player on the court, while also using crafty moves to get to the rim and score. Defensively, she is able to anticipate many passes and turn steals into points. She is a true all-around threat who will continue her basketball career at Brandeis University next year.
Coach: Caroline Stedman **Coach Email:** cstedman@deerfield.edu
- #20 Claire Cummings** **Height:** 6'1" **Position:** Forward **Graduation Year:** 2021
School: Deerfield Academy **2018/19 Stats:** 8.8 PPG, 6.8 RPG
Coach Comments: Claire, a first-time all-star, has been an integral part of the Deerfield girls' basketball team for the past two seasons. Although only a sophomore, she is a force in the paint on both sides of the ball. Offensively, Claire finishes hard at the rim, and defensively, she can always be counted on to crash the boards hard. She is a great presence in the paint and is a tough matchup for opponents.
Coach: Caroline Stedman **Coach Email:** cstedman@deerfield.edu
- #33 Francesca Sileo** **Height:** **Position:** Guard **Graduation Year:** 2020
School: Greenwich Academy **2018/19 Stats:** 13 PPG,
Coach Comments: In her three seasons at GA Francesca Sileo has scored 715 points relying on her strength beyond the arc. Spotting up for the three, she is able to make the clutch shot. Equally strong from the stripe, she is who you want to have with the ball in the waning minutes of the game. Though a natural two, her ball handling skills has her breaking the press. Averaging 13 points a game and a true gym rat, "Checka" is in her first New England All Star game and is excited to be here.
Coach: Wes Matthews **Coach Email:** mbrousseau@greenwichacademy.org
- #21 Olivia Davis** **Height:** 5'7 **Position:** Guard **Graduation Year:** 2019
School: Greenwich Academy **2018/19 Stats:** 15 PPG
Coach Comments: Co-Captain Oliva Davis is playing in her second All Star game. GA's most versatile player, she is as effective on the block as she is at the point. Averaging 15 points a game this season, Olivia is strong going to the basket, is tough on the boards and shows great touch on the perimeter and is able to knock down shots from the charity stripe. With a great game sense, she sees the floor equally well on the offensive and defensive ends.
Coach: Wes Matthews **Coach Email:** mbrousseau@greenwichacademy.org
- #23 Kayla Hanley** **Height:** 5'3" **Position:** Guard **Graduation Year:** 2020
School: School of the Holy Child **2018/19 Stats:** 15.3 PPG, 4.9 RPG, 2.3 SPG

Coach: Michael Clancy **Coach Email:** m.clancy@holychildrye.org

#23 Jordyn Harrison **Height:** 5'6" **Position:** Guard **Graduation Year:** 2022
School: Hotchkiss **2018/19 Stats:**

Coach Comments: Jordyn stepped up to play a huge role as a freshman. On a team plagued by injuries, Jordyn assumed the role of both primary ball-handler and primary scorer, averaging over 10 points a game. Jordyn has great hustle, getting back to block fast-break attempts and getting on the floor for loose balls, and her excellent leaping ability allows her to be a force on the boards. As a freshman, she's shown admirable leadership skills in commanding the floor. Jordyn is going to be a cornerstone for the next three years.

Coach: Doug Kneeland **Coach Email:** dkneeland@hotchkiss.org

Morgan Lee **Height:** 6'4" **Position:** Center **Graduation Year:** 2022

Coach Comments: Morgan has had a very impressive freshman year for our team and within the NEPSAC. She was the leader for our team in multiple categories, including PPG, RPG, and BPG. I look forward to watching her to continue to work and improve upon her skills and strength as a strong post player in this competitive league.

Leading our team in steals, Ayah is always given the task to defend the best player on the opposing team. Ayah is at the point where she can shoot the three or take it to the hoop and finish. After a year off recovering from a torn ACL, Mariah has proven her resilience by being both a leader vocally and physically on the court. Mariah has a well-rounded offensive game, combining a strong, physical inside game with an ability to shoot from the outside. We have often challenged Mariah by having her guard the opposing team's best player, and she has done so with determination and success. She will be missed as she heads off to college.

2018/19 Stats:

Coach Comments: Shamarla is our x-factor. Offensively, she is tough to guard as she has the ability to go inside-out. She can score effortlessly from anywhere on the court and has had multiple 40+ points per game performances throughout her career. This season, she shot over 40% from the three-point line and is also an excellent free throw shooter. Shamarla can rebound the ball exceptionally well which generates a lot of "easy" points off of puts backs for her. Defensively she is a great shot blocker and does a great job of protecting the rim for us.

Coach: Amanda Morales

#44 Amaya Mitchell-Howard

School: Watkinson

Height: 5'9" **Position:** Guard

Graduation Year: 2022

2018/19 Stats:

Coach Comments: Amaya is our best offensive rebounder, snagging 10+ offensive rebounds in over half of our games this season. She is a solid ball handler with the ability to score going left and right. This allows her to take advantage of a lot of mismatches within the course of a game. She has the capability to post up smaller defenders and/or pull taller defenders away from the basket and penetrate to finish by the basket with great body control. Amaya is our glue player; unselfish, very coachable, selfless, a leader and will do whatever is asked of her to help the team win.

Coach Comments: Kayla was voted MVP for the tip off tournament at the beginning of the year which set the stage for a breakout season for her. She was often the teams leading scorer. Her ability to take over the game was noted on the offensive level during the teams games versus Hopkins, Watkinson, and Chase. As she is just a junior we are looking forward to having Kayla back next season.

#0 Alana Perkins

School: Wilbraham & Monson

Height: 5'7" **Position:** Guard

Graduation Year: 2019

2018/19 Stats: 17.7 PPG, 4.5 RPG, 4.5 SPG

Coach Comments: Two-time NEPSAC Class C All-Star. Alana's growth has been fun to watch this season. The Bryant University signee took on a new, and almost unwelcome job this year -- team leader. Although quiet, Alana has flourished in her two years as a Titan. Alana achieved her goals of receiving a Division 1 scholarship, and reaching the 1000-point plateau. As she became our third

girl in our school's history to score 1k. But this season was much bigger than that for her. The test was seeing if she could lead a team to a successful season. Not just as a member, but as one of its leaders. Meaning, her teammates would look to her day in and day out to provide that energy and leadership. Alana rose to that challenge, and I could not be prouder of her. In accepting that challenge, her game grew overall. She has carried herself like a college athlete, and continued the work ethic that earned her her spot as a Bulldog. Alana has proven to coaches and players in NEPSAC this season that she is more than just an elite shooter, but that she is an elite player. Sky is the limit for AP at Bryant, and she will make us Titans proud. It is awesome that I can officially call AP a Titan great!

#2 An'Janae Washington

Height: 5'2"

Position: Guard

Graduation Year: 2019

School: Wilbraham & Monson

2018/19 Stats:

14 PPG, 3 RPG, 3.5 APG, 4.8 SPG

Coach Comments: Two-time NEPSAC Class C All-Star. An unsigned senior, it is astounding to me that AJ is still available. She is energy personified. She changes every game that she plays in. Our vocal and emotional leader, AJ has the responsibility of bringing it everyday. Whether in our practices or in our games, AJ has embraced her leadership role. On the court this season AJ transformed her game, again, to meet the needs of our team. Last year, being our third leading scorer, AJ made it her job to be our defensive stopper. Which shows her innate selflessness for the good of her team and her teammates. This year she returned knowing that we would need her to score more. And she almost doubled her scoring average (8 a game to 14 a game) to become our second leading scorer, while not relinquishing her role as our defensive stopper and team leader. AJ is just special. When I compare her to a player, it is always Allen Iverson. Tough, passionate, competitive -- and usually pound for pound the best player on the floor. AJ is a winner, and she exudes that confidence into her team and teammates. AJ also achieved the 1000-point milestone this season. Becoming WMA's fourth girls' basketball player to accomplish the feat. The right school will be lucky to have our Titan, An'Janae Washington!

#13 Addie Lamond **Height:** 5'6" **Position:** Guard **Graduation Year:** 2021
School: Forman **2018/19 Stats:** 6.4 PPG, 6.4 RPG, 2.5 SPG
Coach Comments: A soccer player at heart, Addie spent several years away from the game of basketball before returning to the sport last winter. In her two years playing for Forman, Addie has transformed from a limited role player into our team's MVP. Her ball handling skills and confidence have improved dramatically, and she is becoming much more adept at creating scoring opportunities for herself and her teammates. Her scoring increased consistently throughout the season, including a career-high 20 point performance towards the end of the season. In addition to her skills, Addie is one of our co-captains and always displays great sportsmanship and leadership on and off the court. We have been thoroughly impressed by the growth Addie has shown during her first two years with our team, and we cannot wait to see what lies ahead for her.

#14 Marley Berrano **Height:** 5'0 **Position:** Point Guard **Graduation Year:** 2020
School: Gunnery **2018/19 Stats:** 9PPG

Coach Comments: Marley is a two time all-star and an irreplaceable part of The Gunnery basketball team. She can confidently hit the three point shot, takes advantage of her speed on the fast break, all while being the most selfless player on our team. Marley looks to set up her teammates, can dish a rocket no look pass, and sees the floor like the best of them. This year she has focused on her passing and stepped into a leadership position on the team. Marley works harder than anyone, she is the first in the gym and the last out of it everyday. Defensively, Marley is quick and smart, she can get her hands in the dribble and eliminate the pass options. Marley easily picks up at least 8 assists a game with several steals as well. She was the second leading scorer on the team this season, and we are excited to have her back another year.

School: Oakwood Friends

Coach Comments:

Height: 5'8" **Position:** Forward

2018/19 Stats: 6.1 PPG, 10.5 RPG

Graduation Year: 2019

Coach Comments: Nafisa was a strong inside presence on both the offensive and defensive ends. She led the team in rebounds, but could also hit the outside shot. On a very inexperienced team, she was also needed to help us deal with pressure in bringing the ball up court. Quite a while ago, Nafisa started on our middle school team and she's now completing her seventh year in the program. Her hard work, dedication, leadership, and sportsmanship will be sorely missed.
